Knights In Shining Armor

Since medieval times the knight has represented such high ideals as honor, strength, loyalty, and integrity. Likewise each piece of his armor stood for the same characteristics.

We would like to suggest that these parts of the armor represent a characteristic of our school.

A knight's heart was protected by the breastplate. Service is our breastplate. A variety of service clubs provide honorable students with ample opportunities for helping others.

A little spark of color was added by the plume. The cheerleaders, pep squad, band, and excited students have become our spark of color.

The quest for an education should be the aim of each Woodlawn student. The helmet of a knight represents this knowledge—the knowledge which encompasses his potential.

The sword was used to drive forward in battle as the knight advanced toward victory. It was this type of determination that made the WHS knight strive for the highest goals in everything despite the obstacles or the competition.

The gloves protected the skillful hands of the knight. The developing skills of our students were exemplified in artistic, domestic, and musical accomplishments.

The receiving of a shield by a knight proclaimed his honor and loyalty to all. The honor and loyalty of a knight of Woodlawn is for his God, his country, his school, and his peers.

The knight's visor afforded him protection in battle, but yet an opportunity to see his surroundings. Each Woodlawn knight with ability, willingness, enthusiasm, and leadership is given the opportunity to visualize his possibilities as a true knight of Woodlawn High School.

ABOVE RIGHT: Fulfilling one of her many office duties, senior worker Barbara Bizet presents a booklet to Mr. C. W. McCormick. Helpers worked out of study halls.
 RIGHT: Providing a spirit poster for most of the football games became an enjoyable activity for Interact Club members Larry Cunningham and Curtis Welborn.
 BELOW: Producing cupid bags was one of Z Club's service projects. Sheri Frady, Callie Winn, and Sue Ann Best found that making them was very interesting.

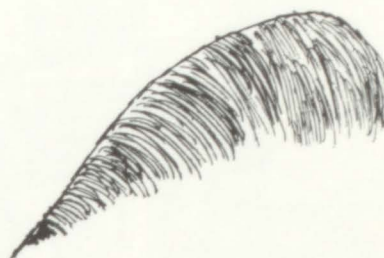

The band added enthusiasm during the football season by presenting colorful halftime performances.

A Spark Of Color For Enthusiasm

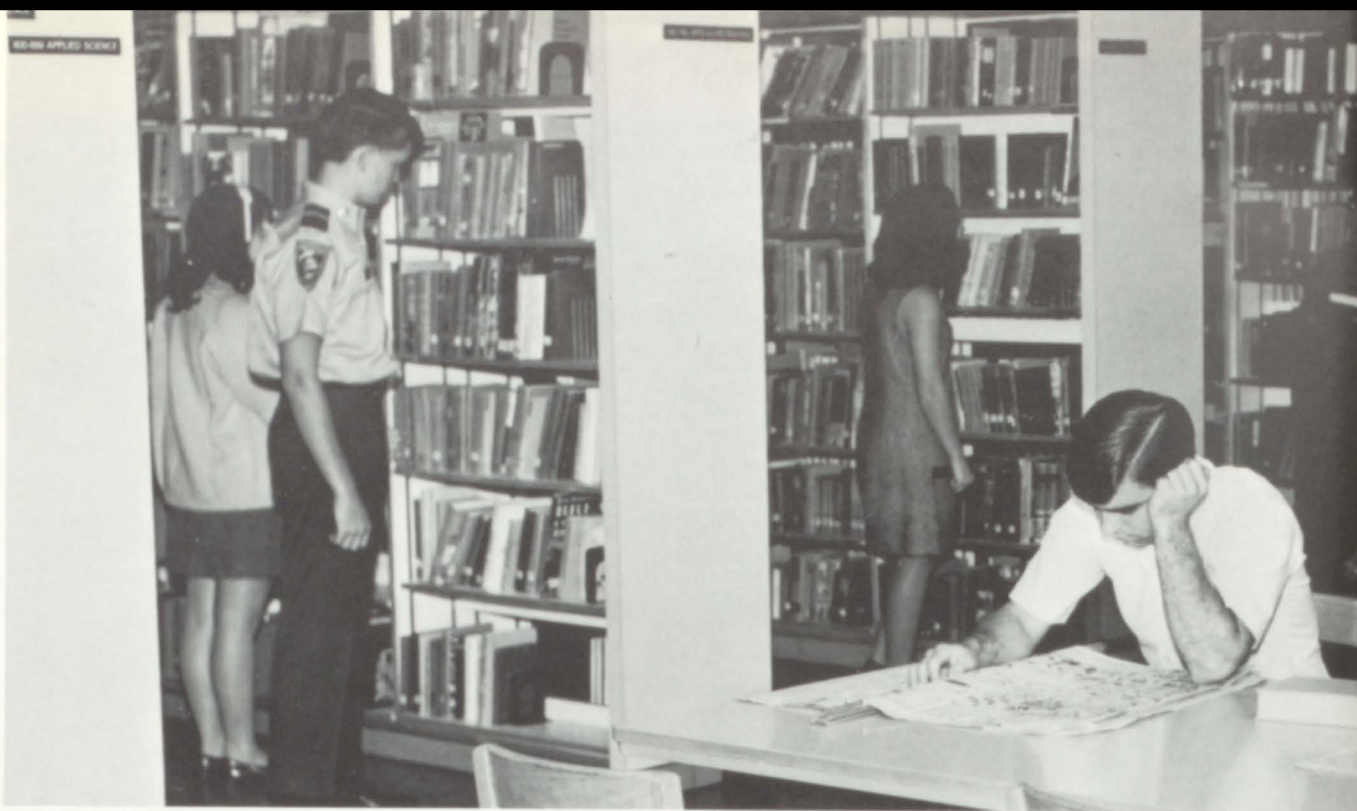

ABOVE: Senior cheerleader Renee Tigert played her part well as the spirit boosters tried to excite the students before the game with the Byrd Yellow Jackets.

BELOW: Over three hundred pep squad girls waved their flyswatters vigorously at the "Beat Byrd" pep rally. All their enthusiasm aided the success of the rally.

BELOW: Spiritboosters were a great factor in the Knights drive for their fifth District 1-AAA title.

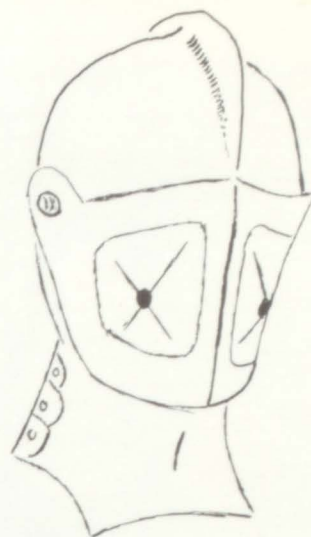

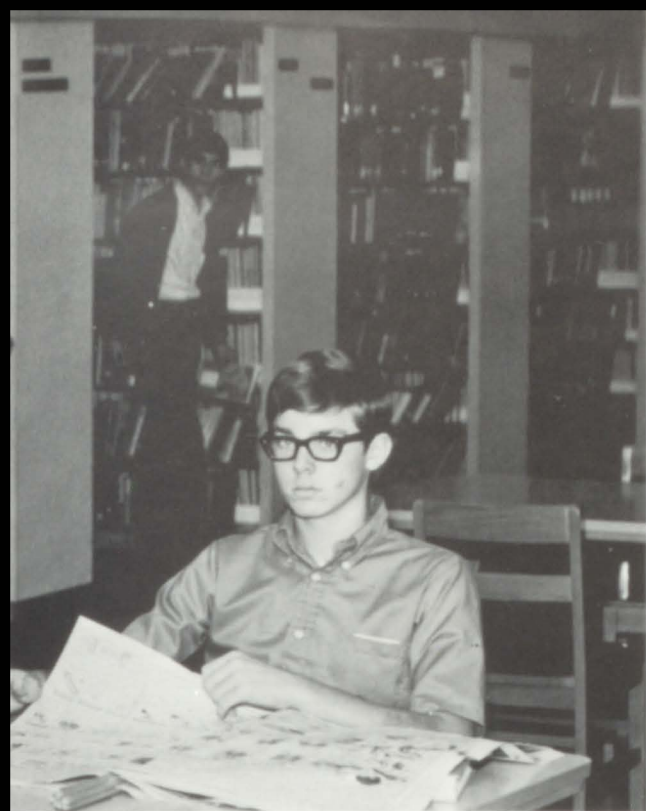

ABOVE: Students from every class in high school found valuable information from the various reading materials in the library. Offering a quiet place to study or to read for pleasure, the library became a necessity for each student at Woodlawn.

BELOW: The use of the overhead projector kept Mrs. Stratman's classes interested in their learning material. By enlarging the subject matter to where each student saw more clearly the material, the teacher's explanations were more effective.

BELOW: Mrs. Helen Hicks, a general science teacher, displayed a model of a human heart.

Helmet Of Knowledge

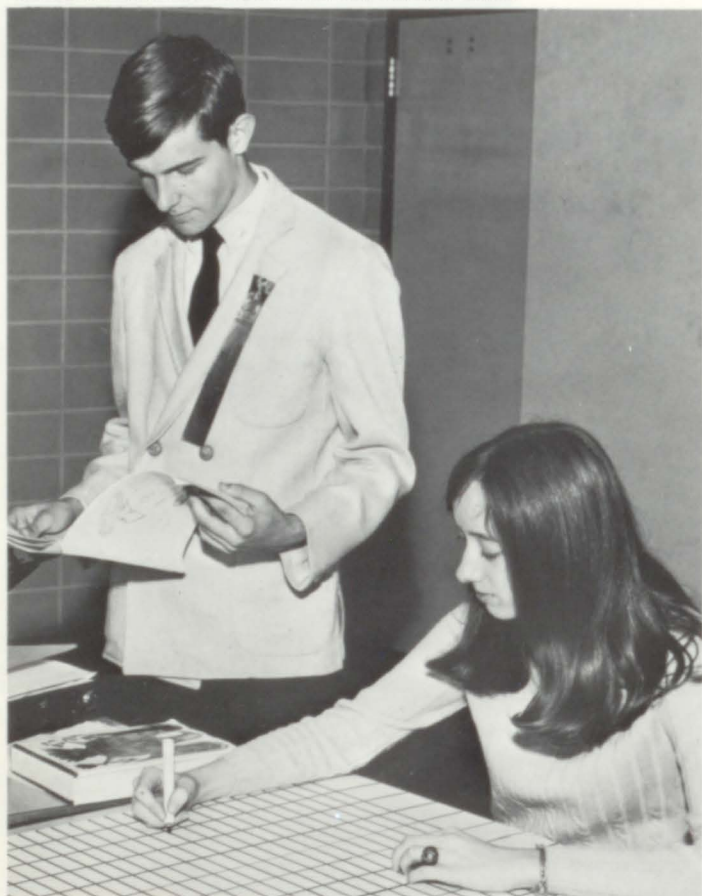

BELOW: Melvin Free, Evelyn Jones, Jerry Blake and Roger Rogers presented an interesting debate on the presidential candidates.

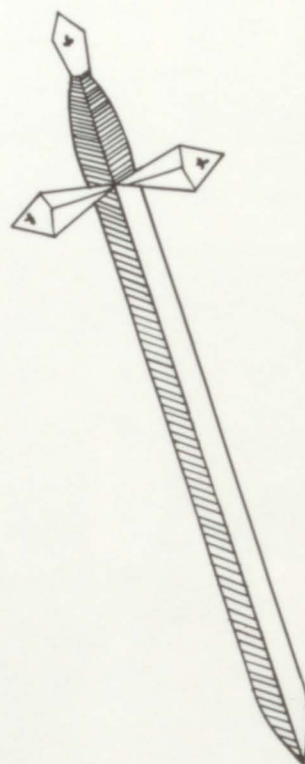

ABOVE: With determination to succeed and fulfill her dream to become a nurse, Becky Cole studied hard for an examination in one of her classes.

BELOW: Preparing the schedules for the debate tournament held at Woodlawn were Brooks Johnston and Frances Dunn.

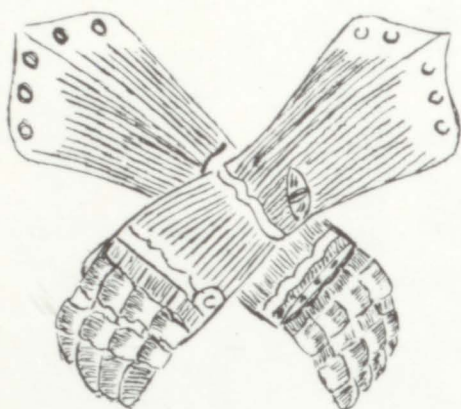

Sword Of Determination

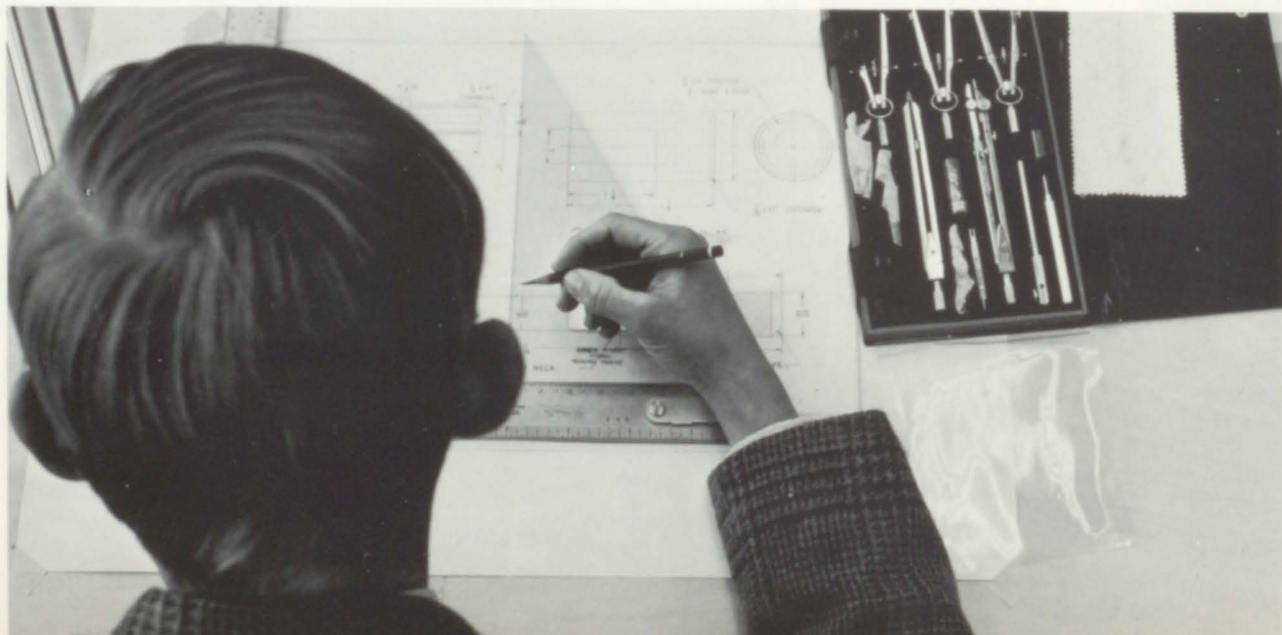

Gloves Of Skill

ABOVE: Art students David Nance and Lexie Cantrell injected their hand-made pottery into the kiln. The desired finish was created by the kiln giving the vase a glistening shine.

BELOW: Sophomore Gary Tingle discovered that mechanical drawing required many utensils in order to draw accurately.

ABOVE LEFT: In Home Economics Sandy Eubanks demonstrated for her classmates how to correctly cut up a chicken.
 ABOVE RIGHT: Rifle team member Gary Tidwell put in numerous hours of practice after school in trying to perfect his shot for a coming rifle tournament. The Rifle team has won many contests.

BELOW LEFT: Glinda Thomisee performed a daily activity in office practice while preparing to become a clerical worker.
 BELOW RIGHT: Senior Martin Lentz used his tympany sticks extremely well in many of his band performances.

ABOVE: Coming back to escort the Homecoming Court were former Knights who had valiantly served their school.

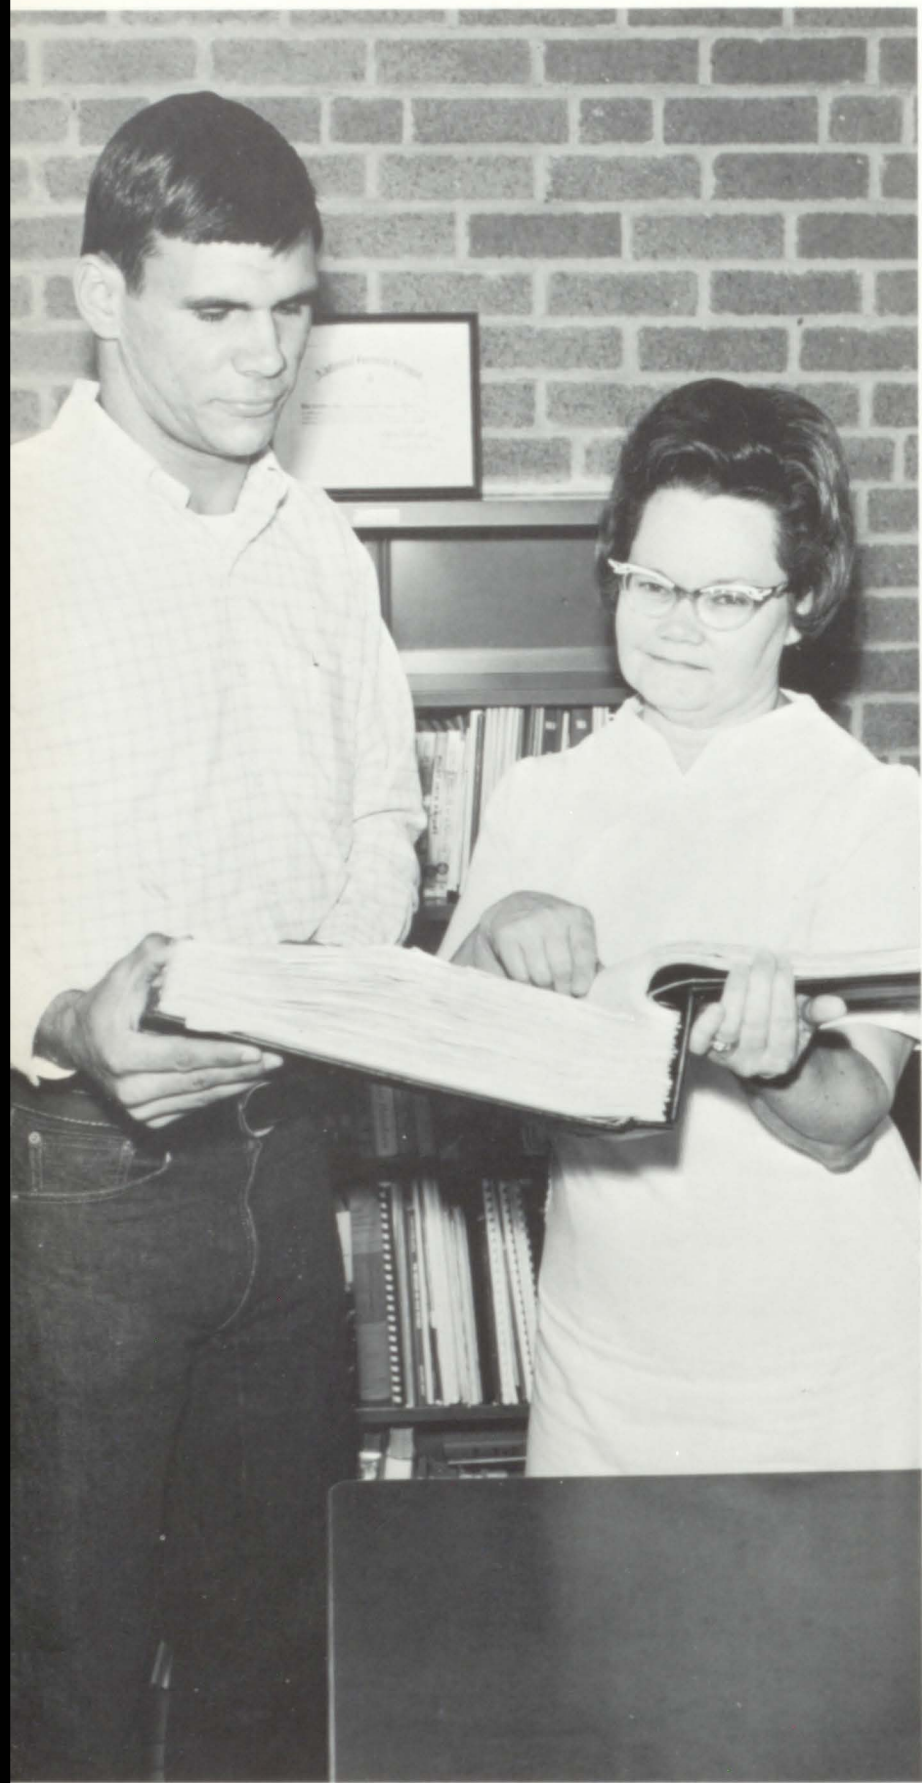

Shield Of Honor

BELOW: Wearing the honor of Sir Knight at all football games was Stan Hackler. He aided the cheerleaders in activating spirit.

Students were reminded each morning as the Color Guard respectfully raised the flag that many Knights have served our country with pride, courage, and honor.

ABOVE: Students from the Caddo Trading School found job opportunities at the new training center sponsored by the school board.

Advanced Math Is College Preparatory

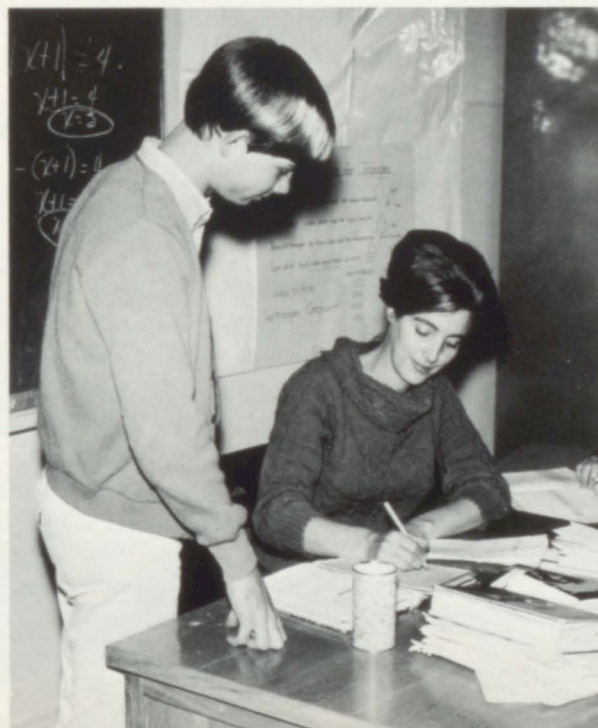

As the world becomes more complex and exactness is imperative, mathematics becomes more vital to success. The math department of W.H.S. strives to meet this demand by offering students courses in General Math, Business Math, Algebra I, geometry, Algebra II, and Advanced Math.

Business Math and General Math are designed for the student who does not plan to go to college. Teachers work with these students in helping them to visualize math concepts and apply them to everyday use.

The other mathematic courses are more than just learning the basic arithmetic factors. They involve logical reasoning, intuitive thinking and being able to apply general conclusions to all types of related material.

Visual aids are very helpful in explaining fundamental operations and the math vocabulary. Large-scale objects, compasses and protractor are especially helpful in geometry.

Mrs. Martin assists a student who is having trouble with a difficult problem in Algebra I.

Students soon find out that not even open book tests are easy in Chemistry if they haven't studied.

Ellen McCallum carefully studies the growth of the African violets they raised under ultraviolet lights in General Science.

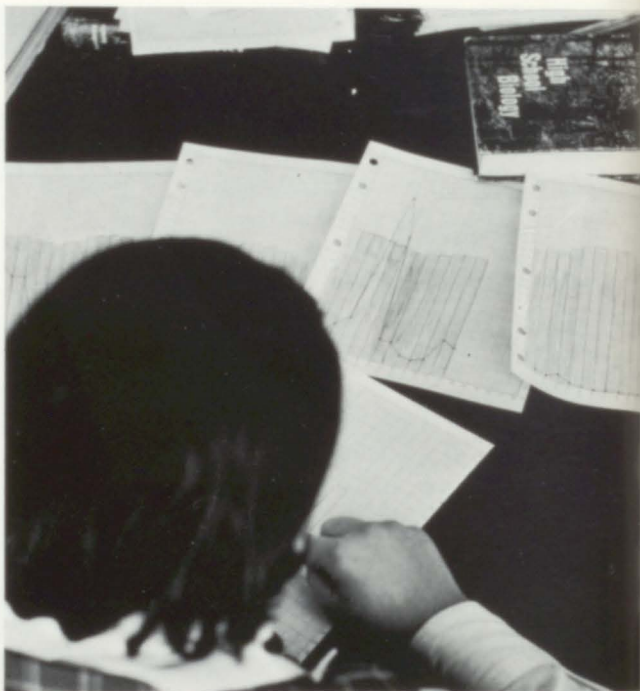

Biology Class Uses Special Materials

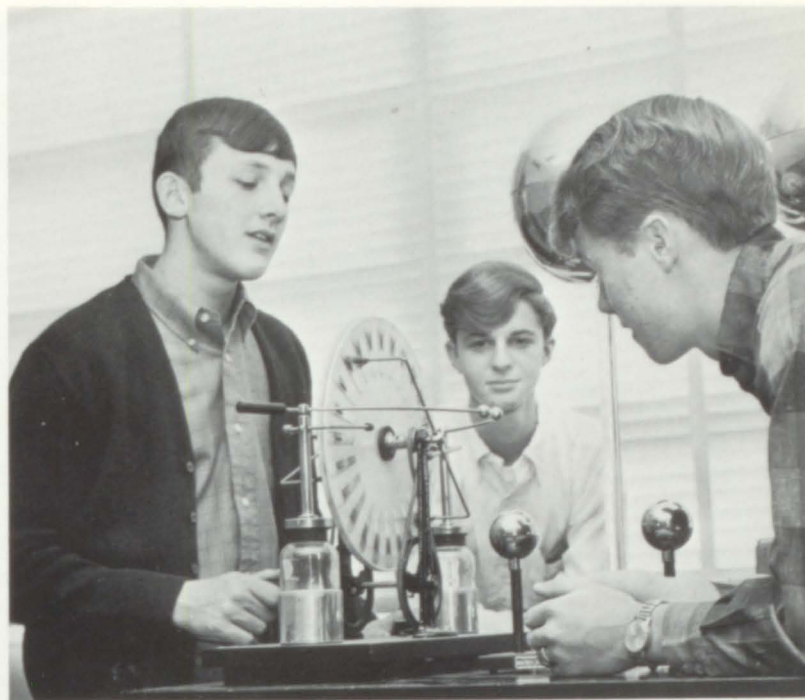

Science explores the mysteries of life as is studied in General Science, biology, chemistry and physics.

The science department this year tries new methods whereby students on all levels may attain basic knowledge of various phases of science. More equipment has been added to the labs to supplement a Special Materials Biology class and a new modern approach to chemistry. Students in both of these classes learn largely through experimentation.

Physics is an advanced course for seniors dealing with energy and matter. Chemistry, also an advanced course, prepares the interested student for college by observing the chemical nature of elements. Emphasizing the science of life, biology includes projects of dissecting, plants and animal development and microscopic organisms. Students taking General Science receive an introduction into all the basic fields of science.

Richard Gertson, Penny Harper and Phyllis Edmonds take to the outdoors as they experiment with a new method of creative writing called "The Frame." They are endeavoring to strengthen their writing ability.

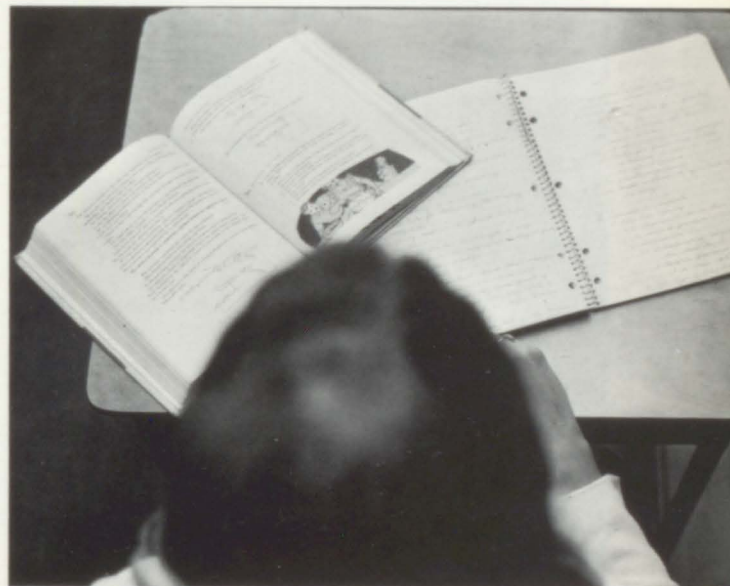

New Methods Used In Creative Writing

As sophomores at Woodlawn, students study literature in general while juniors and seniors delve more deeply into American and English compositions. A highlight of English literature is the study of "Julius Caesar" during English II and "Macbeth" and "Hamlet" during English IV. Meaningful interpretation of reading materials is the goal of literary study.

Expressing thoughts on paper proved a challenge for English III students in an effort to expand their writing abilities. A unique method called "The Frame" was employed this year by some students to help them visualize objects by excluding extraneous details.

English grammar is useful to a Knight if he is to communicate effectively with others. A detailed study of the basic fundamentals is taught in all three courses.

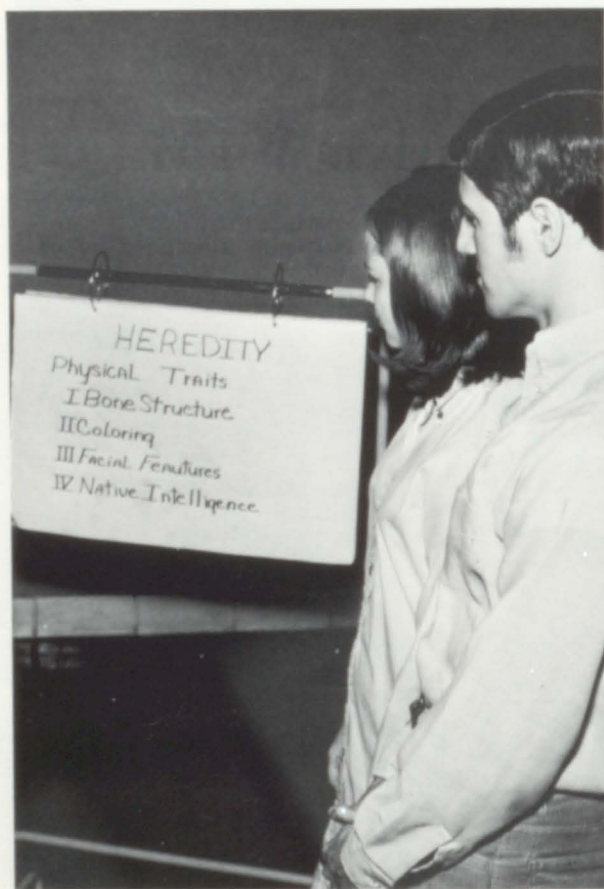

The mastery of grammar requires a great deal of study in English III. Sheri Frady looks over punctuation rules in preparation for an upcoming test.

After the cooking is done, things have to be cleaned up. Candy Watson and Sharon Sims load the dish washer to tidy up.

Home and family living is a senior course designed to help students prepare for family life. Sammie Cascio and Carla Reed lead a discussion on heredity.

Sewing is one of the most important things that a girl can learn in Home Ec. Melanie Wiseman helps Martha Dupree with the tailoring of a dress.

Home Ec. Introduces Child Care Program

Where would a house be without a homemaker? The home economics department sets a goal to instruct girls in the essentials of homemaking. The curriculum includes units in child care, cooking, manners, sewing, and tailoring.

Most of the girls in these classes agree that cooking is their favorite unit because of the delicious meals they prepare. Sewing is the most interesting for others, though, because they enjoy creating additions to their wardrobe. Child care is demonstrated with a doll named Clementine who seems to have become a fixed member of the class. Girls learn by doing, so field trips are included in the schedule.

A course offered to both senior boys and girls is home and family living. It helps them plan for their future homes by studying the problems and ideals of their present ones.

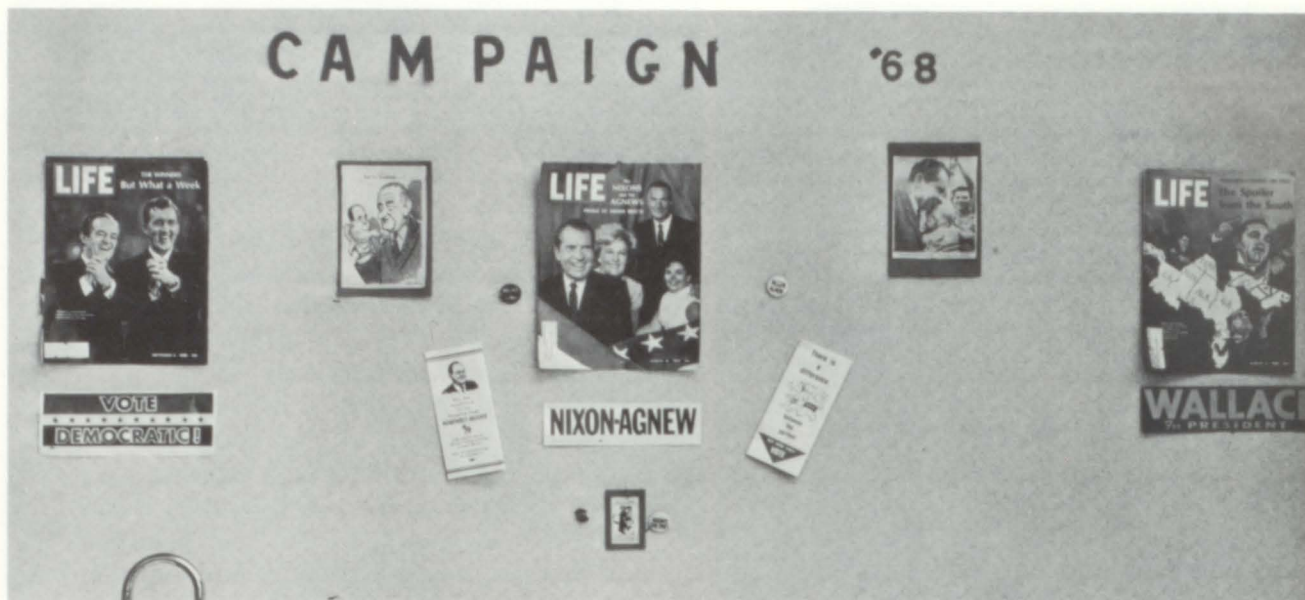

Every year at Christmas time the Home Ec classes are filled with seasonal decorations made by the girls. Stockings, net candy canes and several kinds of Christmas trees were among the ornaments to be found this year.

Vicki Long carefully lifts Clementine as she demonstrates home nursing methods to Debbie Cross. Correct procedures in home nursing were taught in some of the Home Ec II classes.

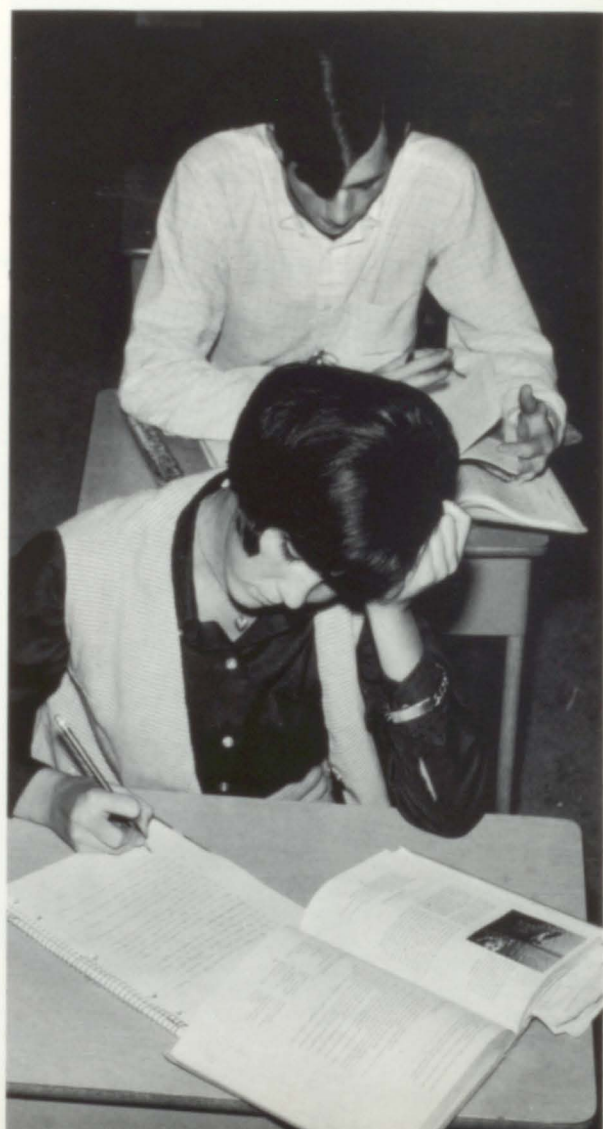

C A M P A I G N '68

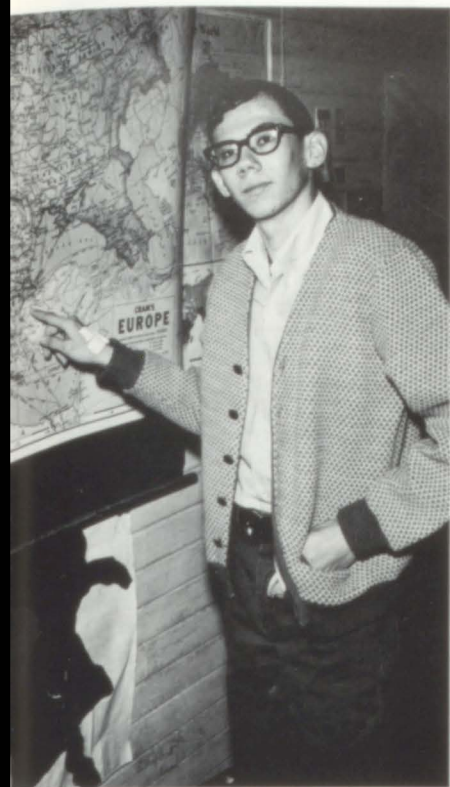

This year a major topic of discussion in the Civics classes was the 1968 Presidential campaign. Several heated discussions took place in and out of the classroom.

To keep up with American History as it happens, Denise Lincoln and Todd Nelson search for interesting articles to be used in class discussions.

Learning about all phases of government is important to every citizen of our country. Civics students strive for an analytical view of government affairs.

Bob Stone comments that Greece was a major influence on civilization as he points to it on the World History map.

Johnny French reads background material on Australia in the World Week Magazine. This is a weekly assignment in World Geography.

Presidential Campaign Adds To Studies

The aim of the social studies department is to mold students into informed citizens of the community. As a requirement for graduation, Civics is a study of the government at the federal, state and local levels along with a examination of the judicial policies. The presidential campaign added enthusiasm this year. Interested students can further their education in this field by taking a course in economics.

American History, not only explores the heritage of America but also the ever-changing present and the effects it will have on the future. Although World History studies the establishment of world powers, students realize that current events are history in the making. World Geography helps to broaden the students' concept of the world and assists him to better understand the effects of environment.

Mrs. Wagner's economics class often use a panel to discuss certain areas of the course.

Mechanical drawing is designed to teach students the art of drafting. Students are busy working on their blueprint assignment.

Special Vocational Classes Are Offered

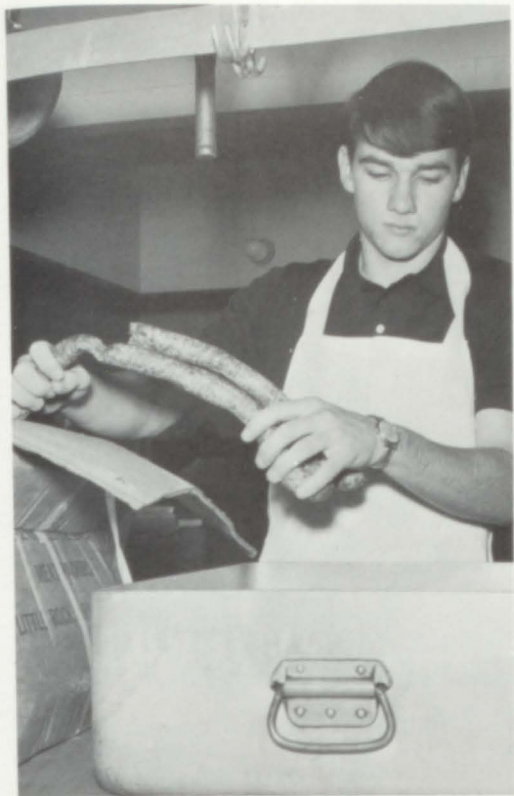

To help students decide on careers and find their interests, a variety of electives are offered at Woodlawn. Courses in electronics, woodworking, motor mechanics, mechanical drawing and agriculture teach the basic ideas about each subject while some actual experience is gained.

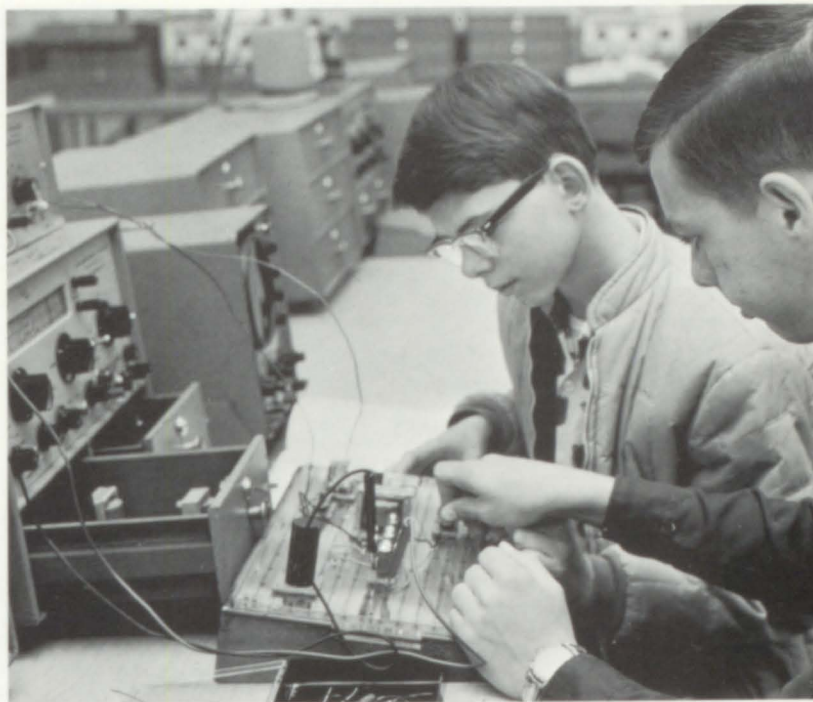

On the job training is given to students taking distributive education. These students spend half of each school day employed by a merchant in the Shreveport area. They are trained both in the classroom and by the company for their type of job.

Another unique addition to the industrial department is the special vocation class. Working in especially selected, small groups, these students explore the fields of motor mechanics and electronics from 2:00 to 5:00 p.m. each day. Upon graduation they are ready for actual jobs in the business world.

W. C. Lloyd and Wesley Festervan work on an outboard motor during a special three hour class. This course prepares students to take a job upon graduation from high school.

D. E. Student, Terry Flenniken, spends a major portion of his day working behind a meat counter in downtown Shreveport.

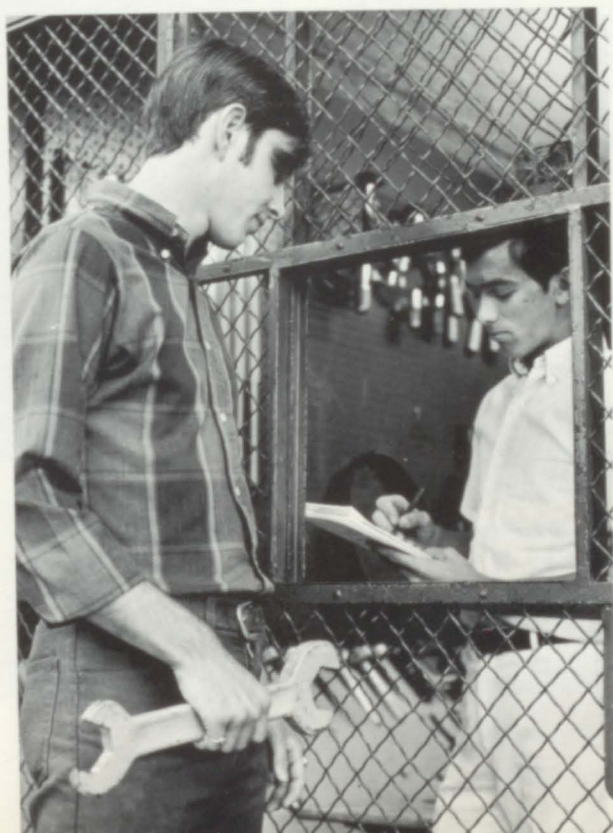

In Electronics class the students spend most of their time working at experiment stations. Dewey Mauldin and Raymond Eason test for inductants to fulfill class requirements.

Bruce Prudhomme, Rickey Spilker, Dan Cotten and Donnie Melton, study an example of an ideal Jersey cow.

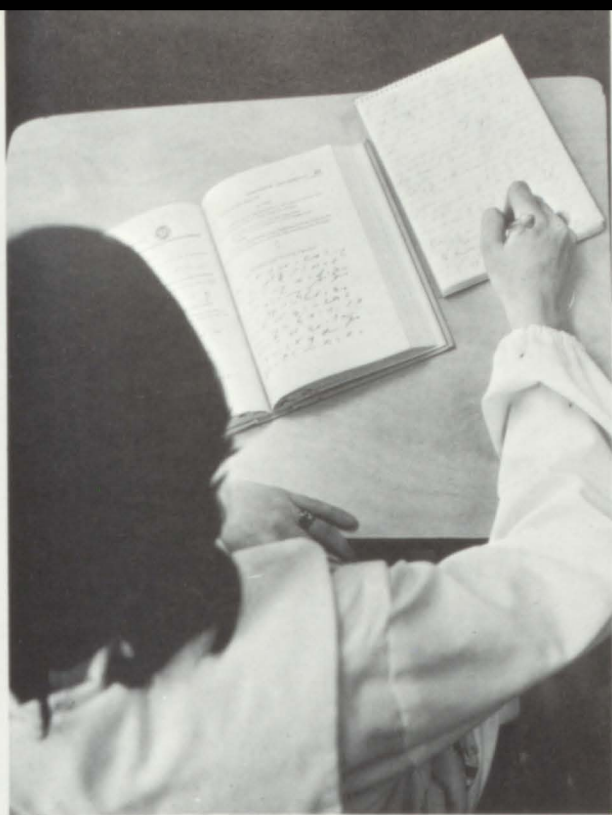

Checking his supply list Ray May issues a wrench to Jim Owens for use during their woodworking class.

By learning to operate the mimeograph machine in C.O.P., Debbie Baxter and Ann Ross prepare themselves to handle an office job in the future.

Learning the arts of an efficient secretary requires much practice. Debbie Dutton realizes this fact as she drills herself on shorthand to fulfill an assignment.

"Practice makes perfect" says Mike Long as he tries for a perfect paper on a one minute timed writing.

Business Students Prepare For Vocation

A solid education in the fundamentals of business is helpful to become a successful member of the business world. Students at W.H.S. are offered a business major involving courses in typing, shorthand, clerical office practice, bookkeeping, Business Math, and Business English.

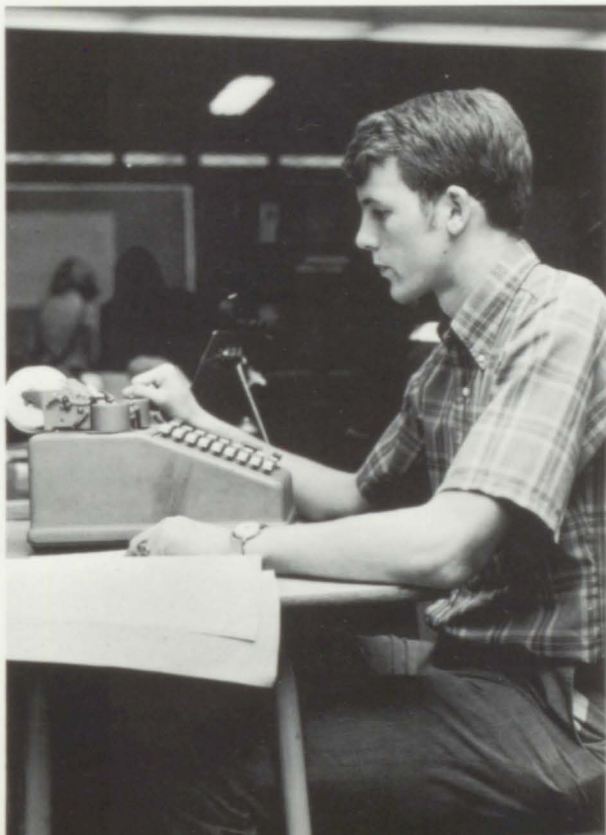

Clerical office practice is a well rounded program in office machines and general office procedures. During second semester, I.B.M. keypunch is taught along with instructions on correct telephone courtesies.

Students taking both Typing I and II find that they can easily apply their skills to other areas of school, especially when research papers are assigned.

Both Business Math and Business English look at the secretarial angle of each subject, teaching students the importance of accuracy and correct form in an office.

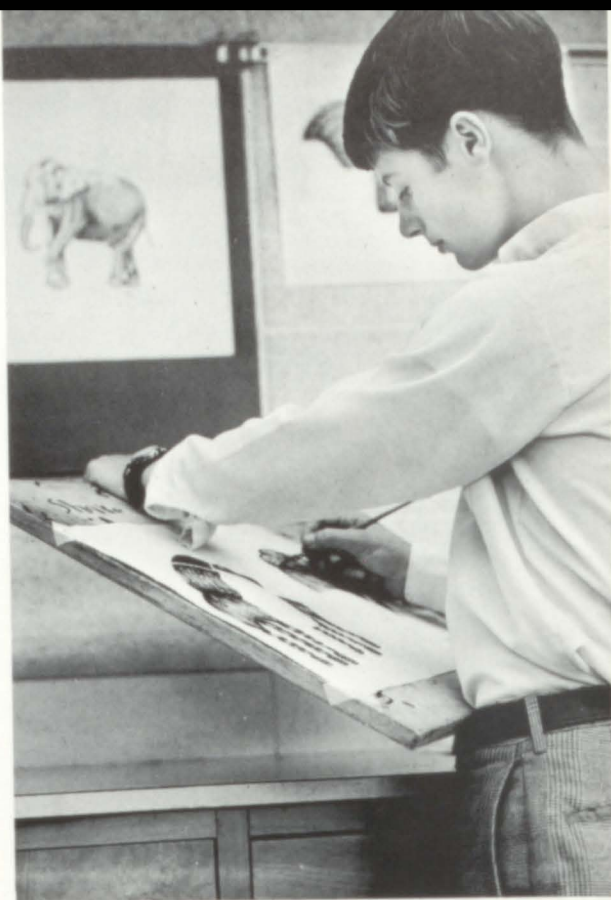

Shorthand I and II and bookkeeping are helpful to a secretary as she fulfills her responsibility. Upon graduation many students are able to acquire reputable positions.

Mark Hollingsworth finds the right answer to another problem as he completes his bookkeeping practice set.

Making paper maché dolls was one of various art projects. Mary Nell Sanders puts the finishing touches on her doll.

Greg Quinn, using pen and ink, concentrates on his creation of a hairdo. Always willing to help out, Greg spent many hours drawing posters and working for the Herald Staff.

Perry Hill titles his collage "KNIGHTS take State." He chose this as his project in Advanced Art while other classmates worked on decoupage, carved boxes, or paper maché.

Creativity Is Expressed In Art Courses

Individual expression is the key word in art. Knights taking this elective course show talent in many areas of art throughout the year. Paper mache, liquid plastics, charcoal, sketching, clay, pen and ink, decoupage, and oil painting are only a few of the projects students may create during this possible four year course.

They learn about the different types of paintings, shading, color combinations, and all the other elements that go together to produce a successful art creation.

Willing to assist in other areas of school life

art students plan and design for such activities as the Accolade pageant, plays and Herald features.

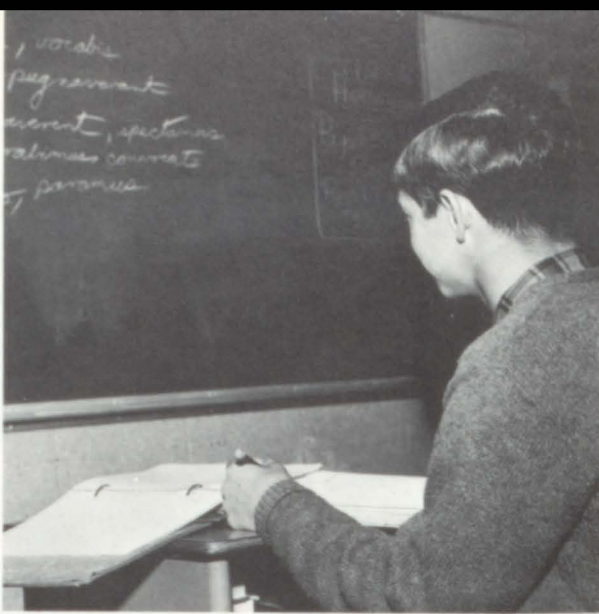

The increased art enrollment enabled the art department to expand its facilities this year. The expansion made it possible to reach more of the talented students attending Woodlawn.

After one or more years of art, the gifted students can go on to later be employed in commercial art or some related field. However, the true reward comes not from future recognition, but from development of creativity within each individual student.

ABOVE: Working with liquid plastics is a favorite among art students. It takes careful planning and patience to create a colorful bouquet of flowers.

ABOVE: Latin is the basis for most modern languages. Jerry Bourne checks his vocabulary words against the board to assure the correct spellings.

In Speech I students learn to speak with ease before other people. Martha Connell operates the tape recorder for Terry Frisch as he delivers a radio speech.

Becky Terry utilizes the language laboratory to learn French. A conversation is played through the earphones while the students follow along in their books.

Debate Requires

As the world becomes smaller and cultures are drawn closer together the need to know more than one language increases.

Speech I, II and III are offered because of the demanding need of more efficient, qualified speakers. Speech II centers around acting techniques and individual readings while Speech III trains in debating.

Journalism is an interesting course about the fundamentals of editing a newspaper. All students in the class have part in the production of the Herald.

Latin, French and Spanish are the three languages offered at the castle. The language lab, recordings and films are some of the effective means used to learn languages fluently. Translation into English, grammar, verb conjugation and sentence construction are only a few of the things taught to these students.

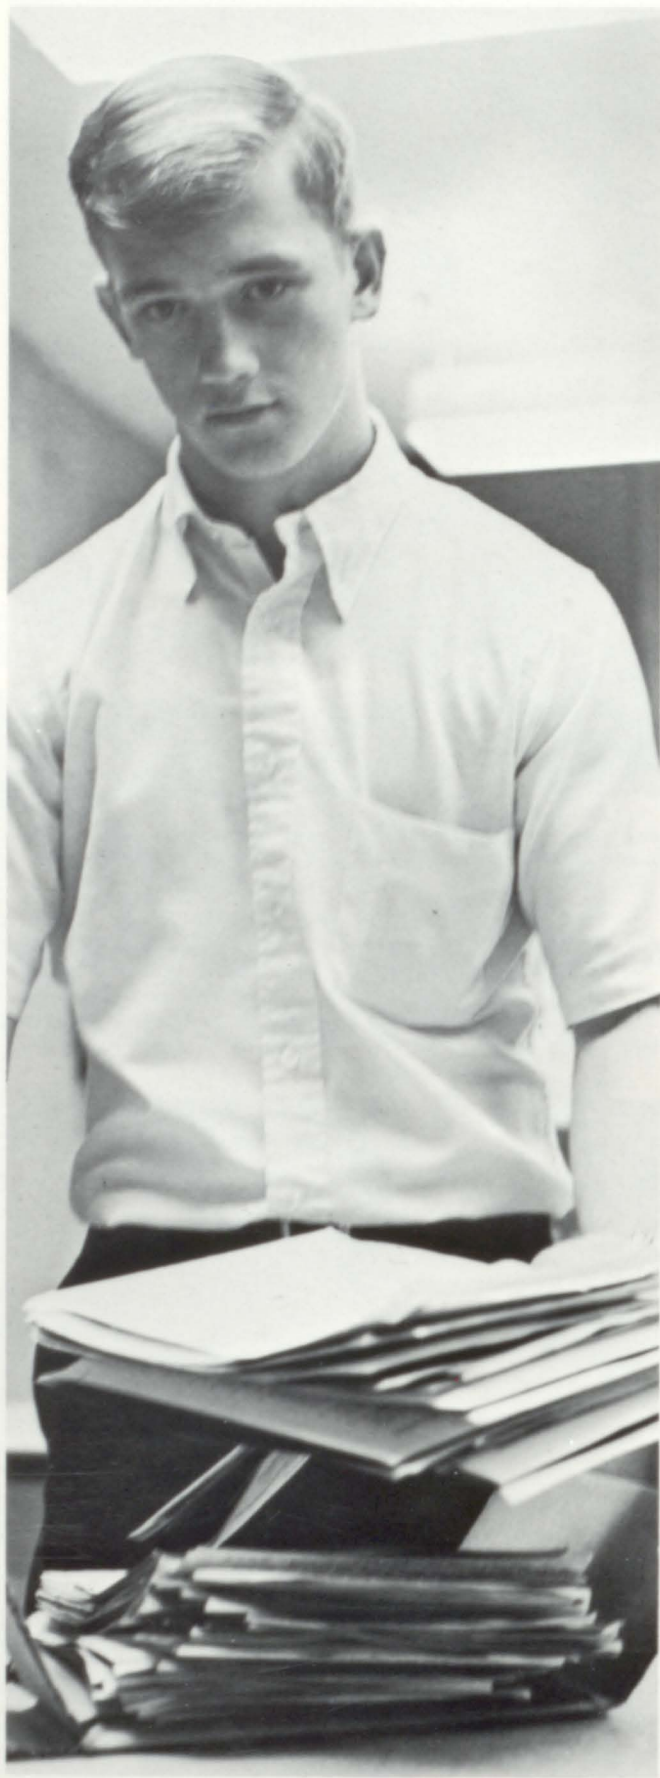

It's not unusual to find Brooks Johnston and Deryl Medlin along with other debate students doing research for their debate topic, "Compulsory Service for all U.S. Citizens." Their efforts do not go unrewarded as they have won several trophies.

Many Hours Of Research And Practice

Donna Mohr and Suanne Best practice their Spanish I conversations so that they can perfect their pronunciation of the language.

Student Council Dedicates Plaque

Student Council Dedicates Plaque

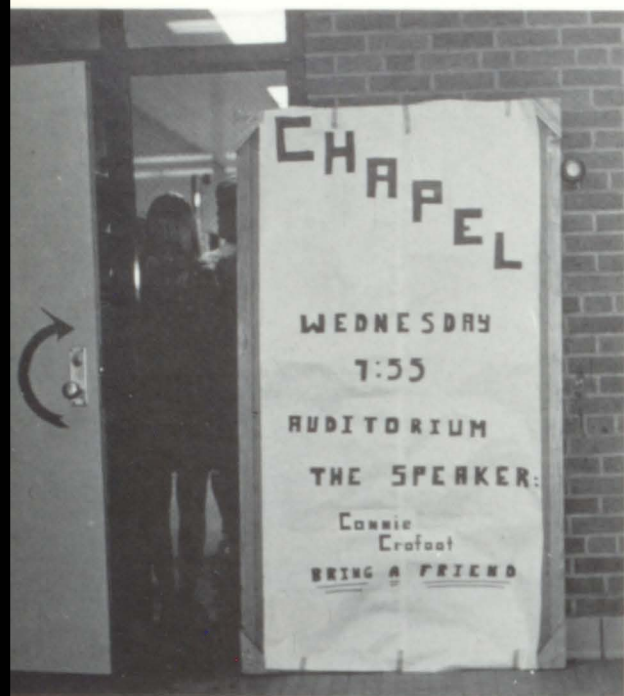

The Student Council is a vital part of life at Woodlawn, as it provides the students with a forum for expression in self-government. The membership consists of a representative and an alternate elected from each homeroom, senators elected by their respective classes, and officers which were elected by the entire student body.

The Student Council's activities included making posters for the football and basketball games, the selling of tickets for bus trips, and the selling of Knight football jerseys.

By investing the money, the Council was able to keep the school store replenished. Another service to the school was conducting school elections.

A special project of this year's Student Council was the presentation to the school of a memorial plaque for ex-Woodlawn students who have died serving their country.

Herald Staff

Under the direction of Mrs. Maredia Bowdon, each of the ten members on this year's staff served as an editor. The purpose of this staff is to publish school news and promote school spirit. This year's staff accomplished their purpose by many activities. School Spirit was promoted through such projects as the selling of lollipops to "Lick the Indians," confetti to "Snow the Jackets," and balloons reading "Knights are Flying High."

Eight papers were published by this year's staff. The ten members worked hard to edit, proofread, and publish the news in order to keep the students informed. A new attraction is the cartoons done by Bruce Bamberg. The staff also published the "Senior Wills" and "Prophecy."

Herald Staff Helped Finance Paper

Selling ads for the newspaper and promoting a good personal relationship between school and business is the purpose of the Herald Ad Staff.

Applicants for the staff must be co-operative and able to get along well with other people. Each must sell at least 40 inches of advertising space, or \$75 worth.

Staff members plan the ad layouts for each paper and then proofread before publication. They also work at the constant job of billing and collecting from advertisers.

This year's staff has worked exceptionally hard, but the joy that not only themselves but others received from having a paper made it worth while. They were also able to attend the Publications Banquet.

Reporters Double As Circulation Staff

To have a "nose for news" is one of the most important requirements for membership of the Herald Reporters. They must have the ability to find news and to write it. Each member was also required to take Journalism.

These people not only helped to publish exceptionally good newspapers this year, they also co-operated with the Herald Editorial Staff in promoting school spirit.

The reporters who had Journalism or study hall first period also served as the Circulation Staff.

Two Sponsor Editorial Staff

The ACCOLADE Staff is composed of fourteen staff members and two sponsors. The people who are given the honor of putting together the yearbook are selected each spring by the advisors and give up a study hall to work.

Many hours are spent in planning pages, writing body copy, taking pictures, alphabetizing names, cropping pictures, and writing cutlines. Work does not stop when the bell rings, though, for the staff does as much at home as at school. Other students know the Yearbook staff by the boxes and folders they carry—all carefully stapled so wandering eyes may not see.

The staff works hard all year, but its reward comes when the ACCOLADES arrive and they see pleasure in the eyes of their fellow students.

Ad Staff Attends Publication Banquet

With Mrs. Dene Ferguson as advisor, this year's staff was the largest ever. Another unusual trait of this staff was having a boy member, which has only occurred twice in the school's history.

In order to become a member of the staff, one must be classified as a junior or senior. Along with that he must have at least a 2.5 average, and pos-

sess a willingness to spend time during the summer selling ads. Their work didn't end after summer, though. During the school year they are kept busy sending bills and checking receipts.

Along with the excitement of distributing the yearbooks to the anxious students, this staff has a lot of hard work. The thirteen members of this year's staff were kept busy making posters advertising sale dates, stamping and distributing receipt books, collecting money from the sales, and then balancing the books. They can be proud of their work, as they sold more ACCOLADES than any previous staff.

Members must have a C average, a willingness to work, and be approved by teachers. Finally, they are elected by the other members.

Highlights of the year are a Coke party and the annual Publications Banquet in the spring.

Safety Council Attends Conference

Promoting safety in the school and and community is the main purpose of the Safety Council. The membership consists of 76 representatives and 76 alternates. The club meets every four weeks in the auditorium. To become a member a student must have a C average and be elected by their homeroom.

Services performed by this club for the school include posting tornado and fire drill information in each room and holding such drills regularly throughout the year. The Council is responsible for safety in the parking lots and around the school. This was done by selling car stickers and checking to see that all cars parked in the lots had stickers.

Football Program Ad Staff Has New Sponsor

This year's staff membership increased to a total of 36 girls. Along with the larger membership came a larger program. The football program was again the largest in the state with four 72-page regular-season editions, a Homecoming edition of 80 pages, and two play-off editions.

The staff received a new advisor this year, Mrs. Martha Watson. She, in turn, gave guidance to the girls in a new task of producing a program for the Top 16 Tourney. This was a basketball tournament held in Shreveport with the top 16 teams in the ArkLa-Tex participating.

Although they worked hard, the girls were greatly repaid. Not only did they receive satisfaction from knowing they boosted school spirit through their work, they also were able to go to out of town games on a bus chartered by the staff.

Interact Club Increased Service Hours

Promoting leadership and citizenship in the youth of Woodlawn by their various types of social service projects is the purpose of this club. The 50 members and 10 sweethearts had no trouble reaching their goal of 25 service hours per person, as they were kept busy this year working together to help others.

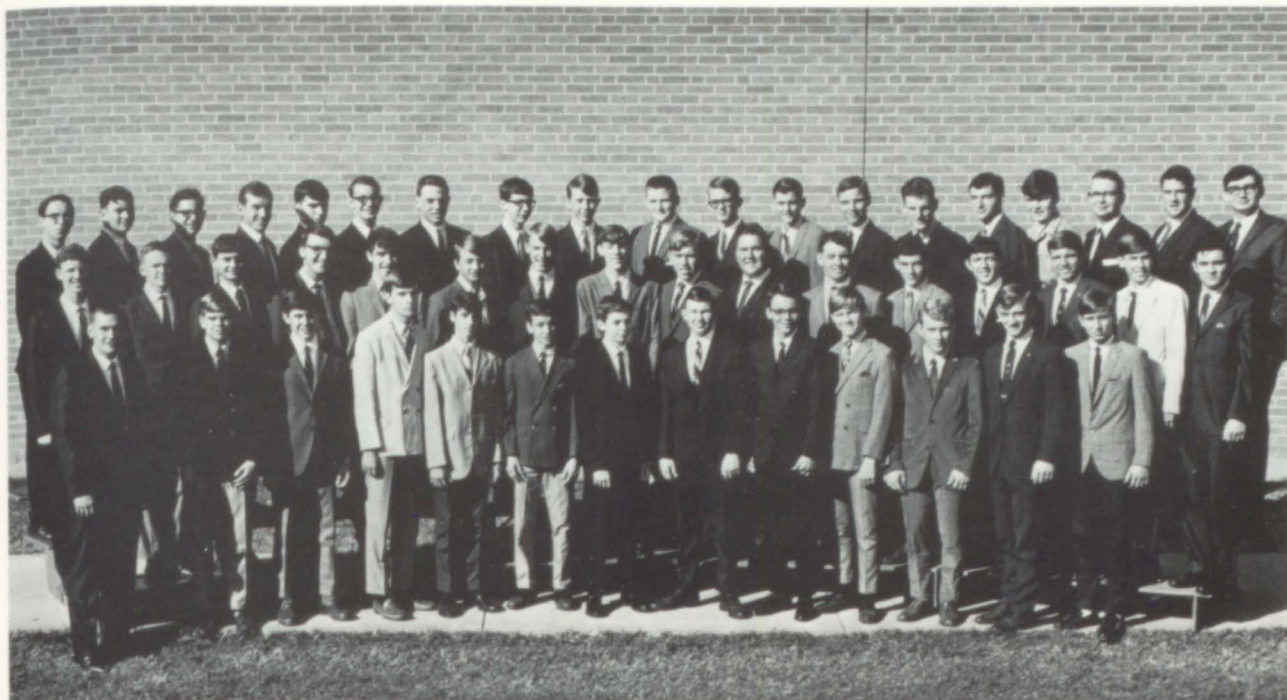

Selling WHS stadium cushions, car washes, work days, and a booth at the ROTC carnival provided the club with money which enabled them to carry out their service projects.

Members also participated in the Heart Fund Drive, March of Dimes, Poppy Drive, Anti-Litter Campaign, and Lock Your Car Campaign.

Requirements for membership are to possess a 2.75 grade average, a desire to help the fellow man, and to be voted on by the club members.

Z Club Has Various Service Projects

Service to the school and community on a local, national, and international level, is the purpose of this organization. Before mid-term this year most of the girls had surpassed the year's requirement of 30 hours of service.

School spirit was promoted by a breakfast for the football players and posters for the games. Among many of the new projects of the club this year were a trick or treat for the children at Confederate Memorial Hospital. Cupid Bags were again sold for Valentine's Day and the proceeds were sent to St. Jude's Hospital. Many of the girls made new friends by writing to servicemen.

Key Club Boosted Woodlawn Spirit

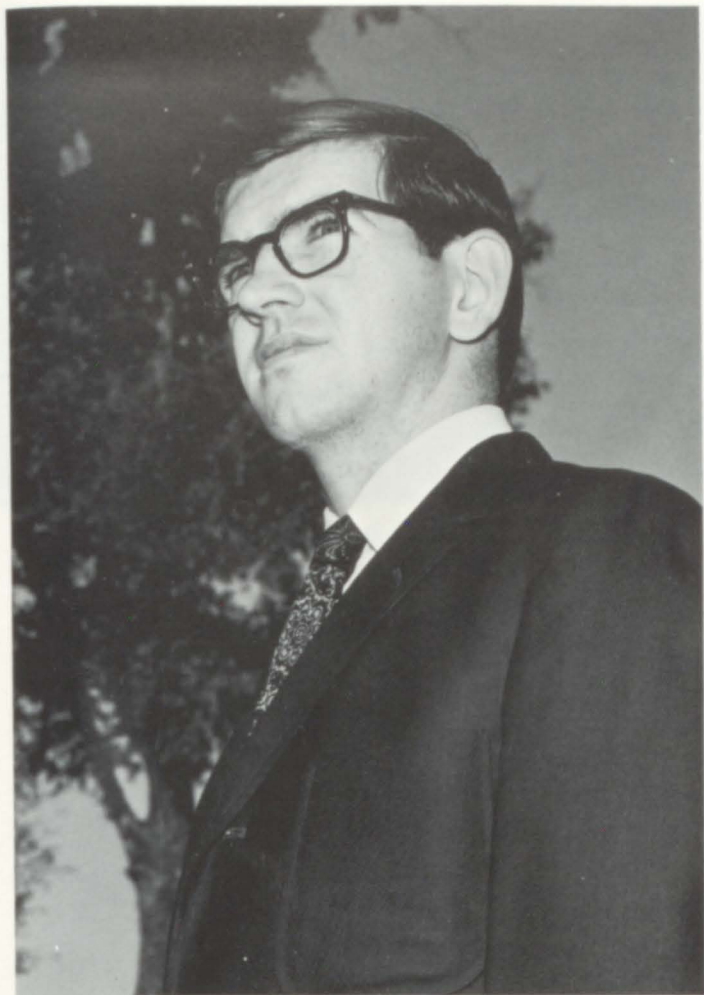

"Influence Through Example" is the international theme of the Key Club. This is to teach young men to serve effectively in the school, community, and to carry the idea of service to their fellow man.

Under the leadership of Mr. Tommy Larance, the faculty advisor, and Mr. Pat Tobin, the Kiwanis Club advisor, this year's club of 34 members and 10 sweethearts, worked hard to achieve their purpose.

To have a 2.5 scholastic average and to be accepted by a vote of the members are the requirements for membership. Ten girls are chosen by the members as sweethearts. They attend the meetings and work on the projects.

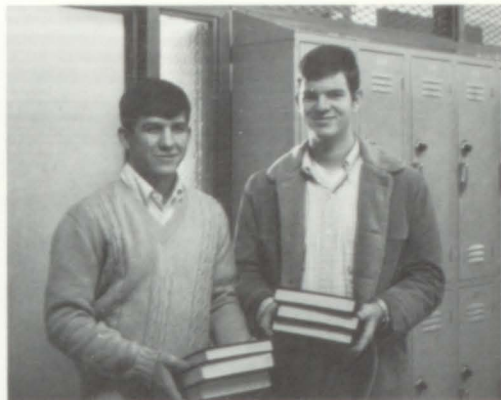

The club earned money for projects and promoted school spirit at the same time this year by having sold decals, parkas, license plates, and by sponsoring a booth at the campus carnival.

With 50 members this was the largest of the two Distributive Education Clubs at Woodlawn this year. To promote interest in merchandising, retailing, and distribution of products and dedication to high ideas of school life is the purpose of this club.

Every DE student is a member of the DE Club. Under the leadership of Mr. Frank Sanders and Mrs. Chris Strother the club had projects of gathering food for needy families at Thanksgiving and Christmas and bringing toys which were distributed in the children's ward at Confederate Memorial Hospital at Christmas.

A state DE Convention was held in February at New Orleans with approximately 35% of the class entering contests. At the end of the year an appreciation banquet was held for both students and employers.

Development of leadership in marketing and distribution is the goal of this club. Mr. C. A. Self was advisor to twenty-eight members this year.

Requirements for membership in the Distributive Education Club are to be enrolled in DE II or III and to attend the meetings.

To help in promoting the idea of pride in the school, on the job, and in the home, the club had a special project of bringing toys for children in the Confederate Memorial Hospital.

Red Cross Members Kept Busy All Year

This was a very busy year for the Woodlawn Council of American Red Cross. To perform acts of service for the school and help those in need, to develop leadership ability and promote responsibility are the purposes of this club.

Many members were kept busy this year by attending such meetings such as the Leadership Conference, the Beautification program at Forbing, and a canoe trip. The Red Cross also attended the first city-wide Council meeting which was held in

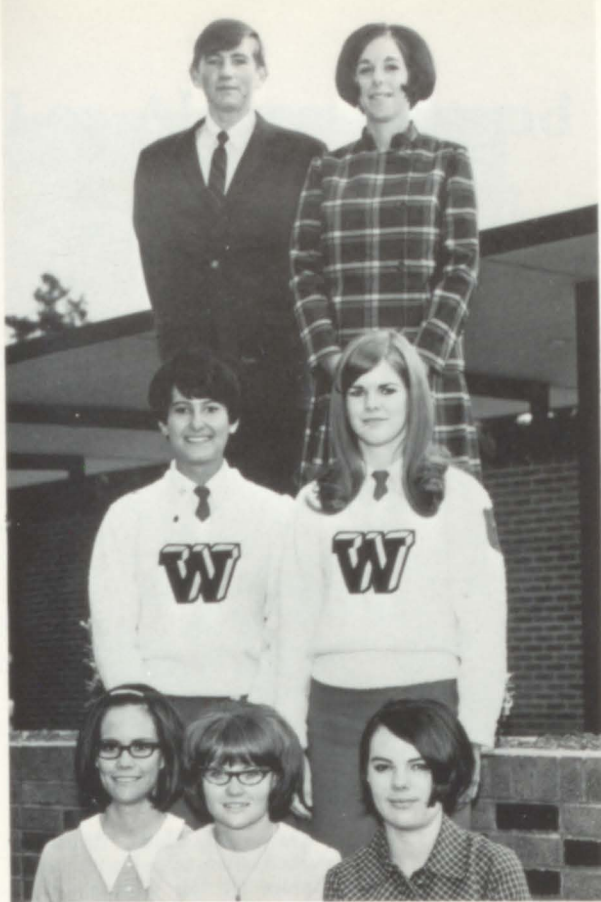

Shreveport during the month of November.

Other services performed by the club were food drives within homerooms. Home rooms helped the club by bringing food for needy families during holiday seasons. Tray favors for patients at the VA and Barksdale Hospitals were made at Christmas.

A special honor to Woodlawn's Red Cross was the election of Donna Kavalawski to the office of Corresponding Secretary for the Caddo Red Cross.

Los Alegres Attend Annual Banquet

To promote a better understanding of our Spanish-speaking neighbors and to create an interest in Spanish is the purpose of this club. The requirements for membership are to either be taking Spanish at the time, or to have had at least one year of Spanish. This year's club has 56 members.

Aside from dues, the only money-making project was selling cookies and candy at the R.O.T.C. Carnival. Some of the money was used to pay part of the cost of each member's fee at the traditional Interlingual Party. This year the three clubs enjoyed a banquet at Ramada Inn.

The members of Los Alegres also had a good time at their spring banquet at El Chico's.

French Village Attracts Many At Carnival

With a total of 110 members, this year's club is the largest ever. Another first for the club is the French Honor Society. It is comprised of members of Le Cercle Francais who maintained an A average in French. Two of the members, Larry Cunningham and Ann Bloxom, received certificates of honor from the National French Contest.

The enlargement of the student's knowledge of the French civilization and way of life is the purpose of the club. The members annually sponsor a French Club Week to interest others in French.

Many of the members attended the annual Interlingual Christmas Party. The club also had a special picnic in the spring.

Socii Romani Learned Of Latin Culture

Membership in this club is open to anyone participating in a course of Latin or anyone who has completed a minimum of two semesters of Latin. The purposes of Socii Romani are to promote a more thorough knowledge of Roman life, history, and literature, to interest others in Latin, and to impart a better understanding of the practical and cultural value of Latin. Mrs. Ruth Jordan was advisor for the club this year. She and Kathy Smith, President, worked with the 55 members to achieve their goals.

Latin Week, during which special events were planned to interest others in Latin, highlighted the club's activities. The new members were welcomed into the club by a party held especially for them in November. This year some of the members were able to attend the State Latin Convention held in Monroe.

Science And Math Club Enlarged

A field trip to the Cross Bar Office of Southern Hill's branch of the South Central Bell Company highlighted the activities of this year's Science and Math Club. The members of the club operated a computer at the ROTC carnival.

At each regular meeting stimulating discussions were lead by the advisors, Miss Marie Maranto and Mr. Charles McLain. Through these discussions the members were acquainted with the many opportunities they have in the fields of mathematics and science. The club also helped them to realize how to achieve their goals pertaining to their interest in these fields.

JML Had Largest Enrollment Ever

OFFICERS: Johnny Hollier, Secretary; Kathy Albritton, President; Brad Brooks, Vice President; Diane Peacock, Treasurer.

Woodlawn's JML had many first's this year. They received a new Sponsor, had the largest enrollment in its history, and for the first time allowed boys to become members.

Working at Willis Knighten and Doctor's Hospitals, Junior Medical League members volunteered their time in an effort to learn more about the medical profession. They must keep a C average and be willing to work to maintain their membership.

A banquet is held each spring where certificates are awarded for the number of hours spent in volunteer service. The club is sponsored by Mr. John Allen.

FCA Helps Knights Promote Good Will

To be a member of an athletic team is the only requirement for membership in the Fellowship of Christian Athletes. The club meets every other Friday morning at 7:45.

The purpose of the program is to confront athletes and coaches, and through them the youth of the nation, with the challenge and adventure of fol-

lowing Christ through the fellowship of the church. This year the boys were guided by Billy Joe Adcox, Lowell Morrison, and Ken Ivy, all members of the Woodlawn coaching staff.

This past summer a conference was held at Estes Park, Colorado, and eight of the 75 members in the Woodlawn chapter were able to attend.

OFFICERS: John Waterfallen, Vice-President; Bruce McCormick, President; Johnny Booty, Bulletin Chairman; Tommy Dark, Treasurer.

SPONSORS: Lowell Morrison, Billy Adcox, Ken Ivey.

Knights For Christ Organized At WHS

Are Christians serving Christ? This was one of the questions which many students asked themselves this year. They felt that Christ hadn't been an important enough figure in their life and many others. With this in mind, the group met to establish an organization which had a primary purpose of spreading the "Good News" of Jesus.

Passing out tracks, singing at nursing homes, and having prayer everyday before school were some of the club's projects.

Knights for Christ met every Monday morning in the auditorium. After the regular business of a meeting, some of the members gave personal testimonies. The meetings were always open to anyone. Mrs. Sandra Williford, Mrs. Wilson Tatum, and Mr. Lonnie Dunn sponsored this year's club.

FHA Woodlawn's Largest Club

This year's membership increased to 117 making one of the schools largest clubs. This club was not only large, but important. Each girl strived to promote growing appreciation of the joys and satisfactions of homemaking. To emphasize the importance of worthy home membership; to encourage democracy in home and community life; to work for good home and family life; to promote international good will; to foster the development of creative leadership in community life; to provide wholesome individual and group recreation; and, to further interest in home economics, are goals of this club.

The girls, all majoring in Home Economics, have reached their goals by making favors for a nursing home for the aged and supplying a school for exceptional children with Easter items.

FFA Rated Superior For 8th Year

For the eighth consecutive year this chapter was rated superior in the state. It is not so surprising after recalling the many activities of the club. The purpose of the club is to develop leadership ability and encourage interests in careers relating to agriculture. It thus provides an opportunity for rural boys and students inclined to agricultural interests to participate with other students possessing similar interests in contest and activities related to these areas.

The requirements for membership are to be enrolled in vocational agriculture and be voted in by the previous members.

The chapter played an important role in coordinating the FFA Barnyard at the La. State Fair. They furnished many of the animals and acted as hosts for the exhibit.

Many conventions were attended by some of the members this year, including the FFA State Convention, the State Leadership Camp in Bunkie, La., and the State Judging Contest in Baton Rouge, La., and the Area Judging Contest at Northwestern State College.

4-H Known For Outstanding Members

The Woodlawn 4-H Club is well known for its outstanding members. Numerous parish, state, and national honors came to Woodlawn 4-H Club members.

The club meets the second Wednesday in each month during 1st period. Members must select and complete at least one project per year, from a list of 30 or more. Most of the outstanding members participate in a variety of projects.

Citizenship for the future is stressed in all 4-H activities. Members have heard talks and discussions by various civic officials, including the fire depart-

ment, sheriffs' department, and United Gas representatives.

The club, through its service activities for the Frost Home for exceptional children, became interested in "adopting" a child there for their special concern. The elderly and convalescent at the Guest House have also received attention from the group. They made Thanksgiving favors, cookies, and cakes for them.

Developing well-rounded personalities and leadership ability is the goal of the 4-H way. Each member strives to "make the best better."

FTA Members Serve WHS Teachers

To promote an interest in the teaching profession and to enable students to learn about the skills and opportunities of teachers is the purpose of this club.

Each member must have a desire to become a teacher, be sponsored by a teacher throughout the year, and maintain a "C" average.

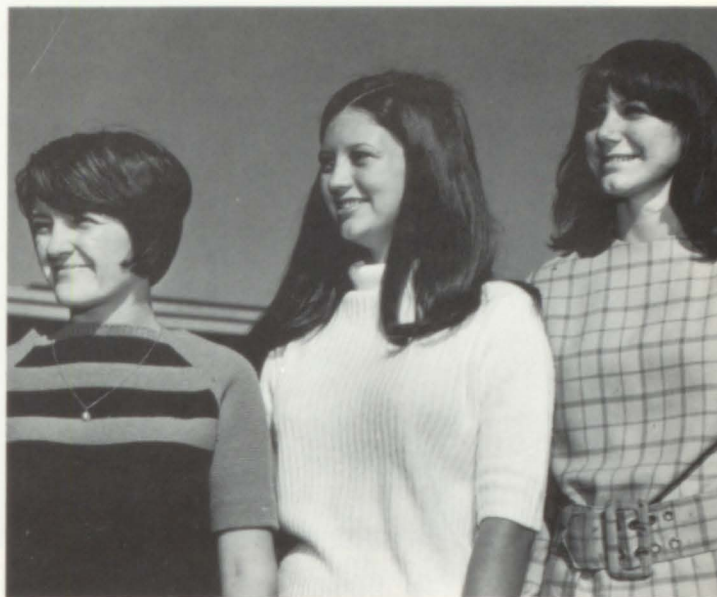

The teachers at Woodlawn always look forward to Teacher Appreciation Day which is sponsored by the club. On this day the teachers are honored at a special tea in the lounge and a "Teacher of the Year" is selected.

This year fifteen members of the Woodlawn F.T.A. attended the State Convention of Future Teachers of America.

Members Attend Indiana Conference

To promote interest and participation in all phases of dramatics within the school and community is the purpose of this organization. The membership consists of those who have at least a 2.7 average and who participate in two or more dramatic activities at Woodlawn.

The club sponsors plays and participates in them both on and off stage. This year they participated in individual events such as Poetry Interpretation, Dramatic Interpretation, Oratory, Duet acting, and one-act plays at debate tournaments. Among the many tournaments in which they participated were the Woodlawn Debate Speech League Tournament at USL in Lafayette.

Members of the club were eligible to attend the National Thespian Conference at Indiana University last June, and the workshop at the first State Thespian Conference held in Louisiana.

OFFICERS: Jimmy Kellogg, Vice-President; Keith Barton, Secretary; Cynthia Smith, Treasurer; Elaine Feazell, President.

Creative Writing Club Published Work

Interest and desire for creative writing is the requirement for membership in this club. The purpose is to foster and develop interest and high standards in written expression. With enthusiasm and joy the members attempted to develop higher intellectual stimulation and deeper pride in written achievements.

The club earned money through a booth at the school carnival, which they used to pay expenses for a party they gave for the children at Holy Angels School.

Again this year the Creative Writing Club sponsored a school-wide contest in writing essays, poems, and short stories. The winning entries were published in a pamphlet which was given to the school library.

Library Workers Make Bulletin Boards

Library assistants serve the school by giving up their study hall to work an hour each day in the library. These workers must have a C+ average and be acceptable to the librarians.

One of the services of the library is creating attractive bulletin board displays with subjects pertinent to school events such as sports, study habits, and vocations.

SEATED: Bill Partain, Gary Mayfield, Dennis Aaron, Ricky Hutchinson, Billy Stinson. STANDING: Michael Friedkin, Jeff Howell, Terry Frisch, Terry Shields.

Audio-Visual Aids Help Education

The use of filmstrips, tapes, and records provide a good teaching aid for the teachers and an interesting way to learn for the students. This is made possible by the Audio-Visual Aid Department.

At the beginning of the year, Mrs. Odessie Frisch trains the boys to operate the projectors, tape recorders, and record players. They volunteer their study hall period to go to the various classrooms and operate these machines for the teachers.

The boys are kept busy during the year as there is a great demand for these aids. The teachers schedule films, tapes, and records with Mrs. Frisch, then she sends the boys to the classrooms when needed.

ABOVE: Audio-visual workers are a great help to many teachers at Woodlawn.

ABOVE: Ronnie Frazier and David Holland distribute dessert to hungry students.

BELOW: Cayce Hand assists Mrs. Thompson with the collecting of lunch money.

Students Volunteer Help In Cafeteria

A common sight at Woodlawn during the lunch periods is the walk-run race to the cafeteria. The task of feeding 2300 hungry students in just five lunch shifts is not any easy one, but with the help of these volunteer workers it is accomplished.

Under the guidance of Mrs. Sybil Thompson, these students work in the bread, dessert, and sandwich lines. They replenish those items as needed and put ice cream and milk on the counter so the lunch lines will move swiftly.

Holes in the soles of their shoes could easily be a trademark of the office workers. They were kept busy all year from the first few minutes of each day as they went from room to room collecting absentee cards, until the end as they distributed afternoon sheets. Other duties of these volunteer workers were answering the phone, taking messages, running errands, distributing morning sheets, and answering the intercom.

These much needed workers are required to have at least a "C" average, a willingness to work, and a study hall period.

CAFETERIA WORKERS—FRONT ROW: Mrs. Kappen, Guy Hurt, Barbara Moulton, Helen Manning, Charlotte Rainer, Melvin Free, Mrs. Thompson. BACK ROW: Ronnie Frazier, Skipper Morgan, Gary Green, Randy Parish, Jack Burnett, Paul Waldon, Steve Witte, Jeff Chapmon.

STUDENT LIFE

Jerry Tubbs, holding a large replica of a sparkplug, examined automotive parts during one of his motor mechanics classes.

Castle Offers Knights Various

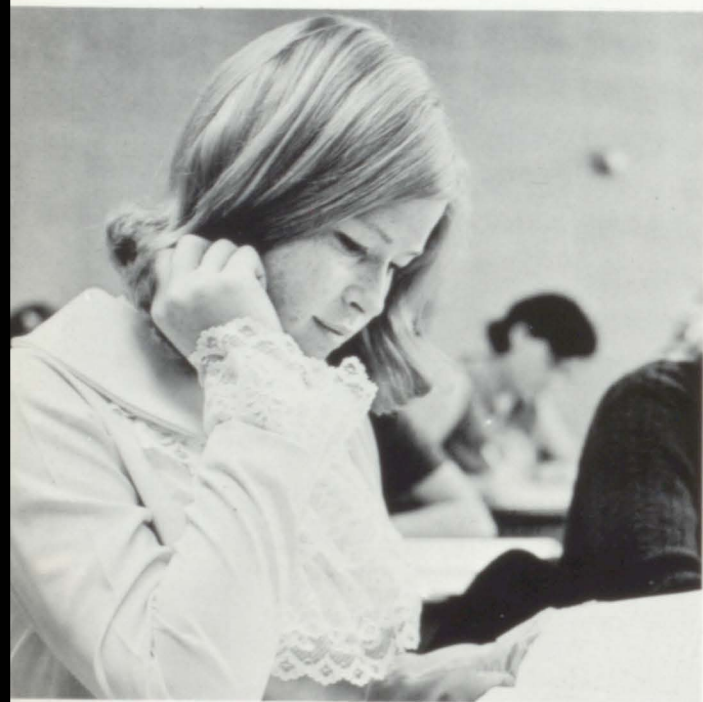

Was the life of a student just bookwork and learning at W.H.S. in 1969? It was true that knowledge was the primary part because each student knew that he must learn, to prepare for the future; but many other wonderful experiences played an important role, too.

The shouting at the many sports events helped shape a student's life. At each event, the student could see and understand the meaning of teamwork and co-operation with others.

The many assemblies that each student attended were always opened with the Pledge to the Flag. Each student would stand with respect and pride as he thought, "I am proud to be an American."

Each student gained something from each of these wonderful experiences, and the enjoyment of each school day could be seen in each student's life.

Junior Sally Jackson studied diligently for an approaching dictation test in her class of Shorthand I.

Activities

Raymond Morison discovered that the library had many interesting books as well as valuable information for compiling his senior research paper.

In a conference room of the library, Sharon Geddes became the first Woodlawn student to take the National Merit Test in Braille.

Learning the fundamentals of being an office worker, Debbie Baxter and Ann Ross practice the use of a ditto machine during class.

In Science Donna Lindsay provided sufficient water for these pot plants while trying to gain some knowledge about their growth.

At the R.O.T.C. carnival, Frank Thaxton dressed as a woman during an Interact Club style show.

The Lancerettes, Drill Team, and Band practiced many hours trying to perfect their routines for the halftime ceremonies on Homecoming night.

Red Cross workers, with the hopes of bringing a little happiness to someone at Christmas, worked diligently to create some small Christmas candy bags for children.

Girls' P.E. Classes were introduced to many activities to keep them physically fit and healthy.

Knights Work To Prepare For The Future

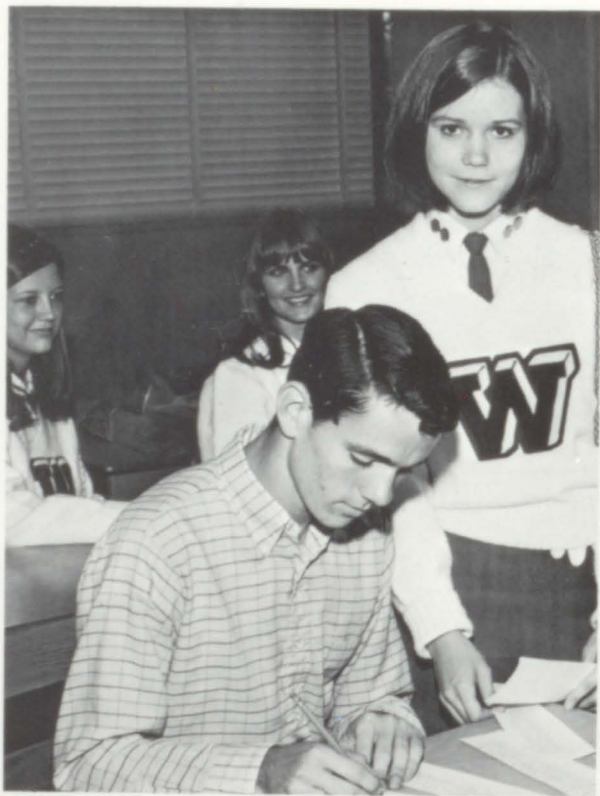

During her lunch period, Elsa Van Thyn discussed her plans for college carefully with her counselor Mrs. Sarah Williams.

Sophomore Linda Eubanks searched for the title of a book that she was to read for her assignment in English.

Student Council workers Debbie Tynes and Jerry Harper tallied the ballots after each first period class had voted.

Members of the F.H.A. Club returned from a field trip that they had made to the Wilson Packing Company.

Lexie Cantrell and Steve Hurley performed an act from one of their readings to Mrs. Henderson's English class.

In the Home Economics department, students stood and watched eagerly as their classmates worked to prepare them a meal.

Study Halls Become Consolidated

Spanish Club members Shirley Ware and Sissy Hodge decorated the Club's booth for the annual R.O.T.C. carnival.

For the first time in the school's history, all second and third period study halls were consolidated in the cafeteria.

Distinguished Guests Visit Knights

By defeating the Sulphurs Tors, Woodlawn won the Triple A State Championship. The excitement that had mounted before the game turned to joy and happiness as each student could say, "We're No. 1." The shouts echoed around the school, and life became even busier as awards were bestowed upon the players.

Special assemblies were held in honor of the players, and each student had an even greater pride in his school after the ceremonies. Many special guests arrived to take part in the program. Some of those were Governor John McKeithen, Congressman Joe Waggonner, and School Board Superintendent Donald Kennedy. Many others also joined the students in showing their appreciation for the team.

Those ceremonies created a feeling of togetherness which enriched each student's life, and the importance of co-operation was planted in each student's mind.

ABOVE RIGHT: Many different ideas were used as the Knights prepared for their state championship encounter with the Sulphur Tors from south Louisiana.

HONORS

Miss And Mr. Woodlawn Have Many Interests

DEBBIE DUTTON, elected Miss WHS by the student body, has participated in many school activities. She served in the 1967 and 1968 Accolade Court. Having been cheerleader both her junior and senior years, Debbie was chosen head cheerleader her last year at Woodlawn. She was elected beauty and has been chaplain of her class all three years. Debbie is an Interact Sweetheart and a Pelican State delegate. She was secretary of F.T.A. her junior year and is now the president.

Swimming, talking on the phone, and eating are a few of Debbie's favorite pastimes. She plans to study physical education at L.S.U. after graduating from the castle.

Woodlawn's outstanding quarterback, JOE FERGUSON, was elected Mr. WHS. He participated in the Accolade Court his junior and sophomore years. His sophomore year he served as class president and was elected favorite. Joe has been an active member of Key Club all three years. He is now Vice-President of the Senior Class.

Among his many football honors are All-Prep, All-District, All-South, All-City and All-State. He was considered All-American quarterback by Kick Off Magazine and other periodicals.

Joe enjoys hunting, fishing, and just watching television. After graduation he plans to attend college but is undecided about what he wants to study.

Cindy Childers served on the 68 Accolade Court, was Sophomore Class Secretary, and Junior Homecoming Maid. With her busy schedule she takes time to relax by the fireplace. Cindy enjoys sewing and water skiing.

Eight Woodlawn Beauties Grace The Halls

Kathy Buckner, twice elected beauty and class favorite enjoys cheering and playing tennis. She was Sophomore Maid on the Homecoming Court, and Junior Class Treasurer. Kathy has been Key Club Sweetheart both her sophomore and junior year.

BELOW: Junior Cheerleader, Becky Moore, was Maid in the 67 Homecoming Court, and Class Vice-President both her sophomore and junior year. Becky water skis, plays golf, sews, and listens to records in her spare time.

Kathy Stevenson, class favorite three years at WHS, was cheerleader both her junior and senior year.

ABOVE: Sonya Gibson, the only sophomore beauty, was in the Homecoming Court, and elected Sophomore Favorite. Her dream is to become an airline stewardess.

Of The Castle

BELOW: Debbie Dutton, senior beauty and the new Miss Woodlawn, is president of F.T.A. and has been an Interact Sweetheart all three of her years at WHS. The State Championship meant a lot to head cheerleader Debbie Dutton.

Junior beauty, Pam Knight, is an active member in Z Club and Student Council, and served as Maid on the 1968 Homecoming Court. Although sewing and Pep Squad take up much of her time, she still manages to keep in touch with friends.

ABOVE: Sandy Underwood, elected Key Club Sweetheart, Sophomore Accolade Maid, Z Club Treasurer, and Junior Maid on the Homecoming Court gazes across the WHS campus.

Senior Favorites Reveal Future Plans

Senior favorite, KATHY STEPHENSON, has acquired numerous honors at Woodlawn. This is her second year to be elected beauty, and her third for class favorite. She served on the Accolade Court and has been a Key Club Sweetheart for two years. Kathy has been a cheerleader both her junior and senior years.

Y-Teens, swimming, skiing, and cheerleading take up most of Kathy's spare time. After graduation she plans to attend Centenary to study physical education.

MIKE McGOVERN, who was elected Senior Favorite, received many other honors at WHS. He was elected to the 1967 and 1968 Accolade Courts and served as class president both his junior and senior year. This is his second year to be elected class favorite. Mike is a member of Key Club, a Pelican State delegate, and plays on the varsity basketball team.

He enjoys skiing in his spare time. Mike plans to study business at Centenary.

KATHY BUCKNER, Junior Favorite, was a maid on the 1967 Homecoming Court and was twice elected a beauty. This is her second year to be a Key Club Sweetheart and class favorite. This year she is class treasurer and cheerleader at WHS.

Kathy spends most of her time playing tennis. Her future plans include studying physical education at Stephen F. Austin.

Twice elected class favorite, JERRY HARPER has received many honors at WHS. He has been president of his sophomore class and is now parliamentarian of the Student Council. He enjoys playing football and basketball and is also a board member of Key Club. Jerry enjoys hunting and fishing. He plans to study law after graduation.

Junior Favorites Enjoy Various Sports

Sophomore Favorites Play Takrau

SONJA GIBSON has received many honors her first year at Woodlawn. Besides being elected class favorite, she was chosen beauty and served as a maid on the 1968 Homecoming Court. Sonya is an active member of Z Squad.

Swimming and skiing take up most of her spare time. Her future plans include becoming an airline stewardess.

Sophomore favorite, JOHNNY BOOTY is a first year letterman on the football team and plans to run track this spring. He is a Student Council Representative and a member of Key Club and F.F.A.

Johnny enjoys all sports, especially swimming. One of his favorite pastimes is just driving around in his Chevy.

He plans to become a coach after graduation.

Knight fans got their first glimpse of the court attendants as they entered through the castle door. With Sir Knight standing guard, the maids of the 1968 Homecoming Court and their escorts—outstanding graduates of the class of 1968—were introduced.

Joining in the presentation of the court were the Lancer Drill Platoon, Lancerettes, and the Marching Band.

Amid this colorful setting, Queen Linda Dahmer, dressed in the traditional white suit, entered to receive the sparkling crown and a bouquet of red roses from the school principal, Mr. McCormick. Immediately afterwards, the Lancers fired a salute and the band played the Alma Mater.

Following the game, WHS students gathered at the American Legion to dance to the music of the Five by Five.

In Splendor At Pageant Of The Accolade

The Castle of the Woodlawn Knights was adorned with the royal shield and banners of knighthood at the Pageant of the Accolade in the year of 1969. Their majesties, King Mike McGovern and Queen Kathy Stephenson, reigned over the Court in an air of splendor.

The Queen's attendants were attired in victorian gowns of apple green moire' accented with a ruffle collar. They carried bouquets of tangerine daisies trimmed with sherbet-colored ribbons. The Court's jester, Jay Martin, assisted the trainbearers, Kay Farless and Sharon Dunn, in carrying the Queen's traditional sequined robe.

Knighthood was bestowed upon three worthy Castlelites. They were Sir Herman from the House of Garner, Sir Joe from the House of Ferguson, and Sir Mark from the House of Hollingsworth.

Each Knight came forth at the appointed time and knelt before his majesty, the King. After being knighted, he received a bright scarlet sash from the Queen. A time of entertainment followed the ceremonies of knighthood.

After the pageantry, a time of dancing was held at the American Legion Club with entertainment provided by Bill Ray and the Showband Royale. The ballroom was decorated with replicas of tiny elves and mushrooms, and the theme of the dance was "A Knight in Wonderland."

Working hard to make the Pageant a success were faculty members Miss Linda Loper, Mrs. Carol Bass, Mrs. Margetta Stoddard, Mrs. Virginia King, and Mr. Lonnie Dunn. They put in many hours of hard work after school each day.

The National Forensic League is a national club to promote speech competition. A person becomes a member when he receives 25 points in such areas as debate and individual events. Different degrees and more privileges are given as a persons points accumulate.

Mrs. Jan P. Hart is the new NFL sponsor who replaced Mr. Charles Staneart at midterm. A sponsor receives a certain number of points in proportion to the number of points earned by the students. The club has been present at numerous speech tournaments in Louisiana and Texas. It has won recognition in such tournaments as Woodlawn, La Tourneau, U.S.L., Northwestern, and took home first place in Senior debate at Louisiana Tech. It has qualified a number of persons for Tournament of Champions debate as well as individuals events.

The officers are Deryl Medlin, President, Frances Dunn, Vice-President, Patsy Nelson, Secretary, and Brooks Johnston, Treasurer.

Pelican State Trains Future Citizens

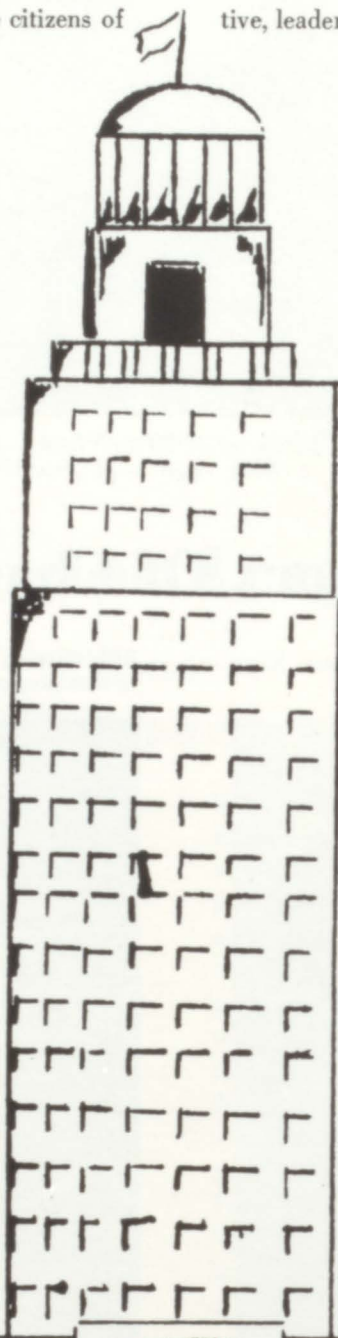

Pelican State, held annually during August, is intended to educate youth in duties, privileges, rights, and responsibilities of American citizenship. It is a plan for training students in the mechanics of government. Participants not only review what knowledge they already have of the state's political machinery, but also perform the duties of office holders in the everyday world. For one week, the citizens of

the mythical Pelican State organize their own city, parish, and state governments. They choose their own officials with regular election procedures. They introduce and argue bills in a legislature. Thus each young citizen learns for himself that his government is just what he makes it.

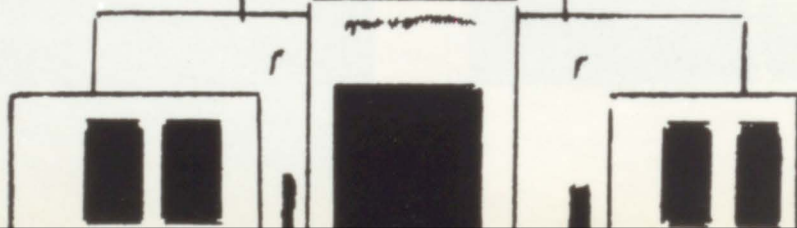

The students were selected because of their initiative, leadership abilities, scholarship, and personality.

Newspaper delegates were taught principles and style involved in high school newspaper work.

In the second phase of journalism, yearbook production, delegates learned principles of copy writing, selecting pictures, and drawing layouts.

Speech delegates practiced principles of interpretation and discussion. This department also produced and presented a series of one-act plays.

Library delegates worked on library advisement and general efficiency. They toured the LSU and Louisiana State Libraries.

The National Honor Society looks upon education as a total product, measured by the four dimensions of life—Character, Leadership, Scholarship, and Service. Society Programs are dignified and impressive of the honor bestowed on those students who excel in the scholastic field.

Fifty-four Woodlawn members, who are involved in every phase of campus life, have maintained a B average from the ninth grade. Each one is an active, working, vital part of the school as evidenced by the organizations and clubs in which they officiate and work.

Highlights of the year for this honor group include the induction of new members each spring, the annual spring banquet, and ushering for baccalaureate and graduation ceremonies.

Reaching their "Impossible Dream" was the Knights most satisfying sports accomplishment in their history. The Woodlawn team accomplished their goal by going undefeated and untied through a full season, and by carrying the number one ranking into the state championship game and successfully defending it. No other AAA team has ever achieved those marks.

While on their journey to the state championship, the Knights took their fourth consecutive district 1-AAA title and their second perfect regular season record in three years. The Knights also defeated other AAA opponents including Holy Cross, Chalmette, and Sulphur for the state championship.

In only his third year as head mentor of the Knights, A. L. Williams received the honor of being named "Louisiana's Triple A Coach of the Year."

The Knights placed eleven men on the district 1-AAA team while four received the honors of All-State. They were quarterback Joe Ferguson, tight end Mark Hollingsworth, defensive end Ronnie Frazier, and defensive cornerback Cayce Hand.

The Knights fought hard and were determined all year. Many times they were behind at the half, only to come back strong in the third and fourth quarters for a victory. The last half became known as "the Knights' half" because during it they rallied to defeat their opponents.

Overcoming the weather jinx during playoffs had always been a Knight problem, but for the first time in the Knights' history they were triumphant over their playoff hex. They defeated the Sulphur Tors to finish an unblemished season and become the first AAA team to ever achieve that mark. The winning Woodlawn team posted a 14-0 season record.

Woodlawn 34

LaGrange 21

Led by the passing of All-American quarterback Joe Ferguson, the Woodlawn Knights rolled to their first victory of the season by defeating the previously top ranked Gators of LaGrange.

After LaGrange had built a 21 to 6 second quarter lead, Ferguson engineered a comeback victory while throwing for 360 yards and three touchdowns. Also grabbing Ferguson's aeriels were ends Jim Hodge and Mark Hollingsworth with five passes each for 89 and 57 yards respectively. Fullbacks Steve Witte and Acie Griffin each scored on runs of three yards.

The Knights' defense known as "Big Red" quelled the Gator's offensive output during the second half by holding them scoreless.

Conquering LaGrange put the Knights at the top of Triple A ratings.

Woodlawn 13

Bossier 7

After grabbing the top spot in the Associated Press high school football ratings, the Knights found that everyone was trying to dethrone them. In their next encounter, the Indians of Fair Park put up a stiff fight as the Knights came out of the game as a seven-point victor.

Joe Ferguson fired for 179 yards with 18 completions of 40 attempts and one touchdown. Ferguson's touchdown pass was a seven yard pitch to end Mark Hollingsworth for the winning score. Hollingsworth snatched 9 aerials for 103 yards and 1 touchdown. Scatbacks Mike Etheredge and Steve Witte amazed the spectators as they gained 72 and 94 yards rushing respectively. Etheredge raced a punt back forty-four yards before being subdued at the six while Witte later sprang 58 yards from scrimmage for a score.

For the third week in a row the Knights had been in the so called "game of the week," and it appeared that they might suffer their first defeat. But by overcoming a stout Bearcat defense, the Knights did come back to win the district contest 13-7.

After leaving the playing field at halftime, the Bearcats had a 7-6 lead. But a stingy Knight defense kept the Bossier boys quiet in the second half while Ferguson fired a four yard six pointer to end Jim Hodge for the winning marker.

The Knights made many outstanding plays. Ends Wayne Dale and Ronnie Frazier broke through and dropped the Bossier quarterback, for an 18 yard loss on a crucial third down play. Dale also recovered a Bossier fumble at the Bearcats 18 yard line to set up the Knight's last score.

Woodlawn 34 Texarkana Arkansas 13

All American Joe Ferguson surpassed the 1000 yard mark in passing as the Knights rolled past the Razorbacks of Arkansas High 34-13. Ferguson threw for 283 yards on 18 completions of 28 attempts and 4 touchdowns. All-State end Mark Hollingsworth and Flanker Gary Green each grabbed a Ferguson strike while Jim Hodge took two to pace the number one ranked Knights. Hollingsworth led all receivers with 131 yards on 8 receptions.

Running backs Acie Griffin and Mike Etheredge combined to give the Knights a balanced attack. Griffin ran nine times for 56 yards and one score on a one yard run. Etheredge gathered 55 yards on seven attempts.

The Knights' defense held the Hogs to only 133 yards total offense and defensive back Johnny Booty and linebacker Frank Racine each recovered a fumble which set up a Knight score.

Southside 0

Trying for their fourth consecutive 1-AAA title the Woodlawn Knights took their fifth victory over the Southside High Rebels of Fort Smith.

Woodlawn opened their scoring on a 69 yard run by fullback Acie Griffin on the game's first offensive play. Griffin rambled for 95 yards on six carries to lead the Knight rushers.

All-American quarterback Joe Ferguson passed for 246 yards completing 16 of 24 attempts and four touchdowns.

His touchdown strikes were taken by ends Mark Hollingsworth, Jim Hodge and halfback Mike Etheredge. Hodge took two aerials in for a score while Etheredge led all receivers with five receptions for 74 yards.

The Knights' defense forced four fumbles while recovering three of them to set up many scores. "Big Red" also held the Rebels to 139 yards total offense.

Homecoming Crowd

Woodlawn 52

West Monroe 0

Woodlawn continued its reign of terror in the 1968 football season by knocking off the Rebels from West Monroe by a count of 52-0. This was the highest point production for the Knights since they routed North Caddo 52-0 in 1966.

Leading the way in the lopsided affair was All-State quarterback Joe Ferguson who threw five touchdowns for 158 yards on 15 of 22 attempts. His tight end Mark Hollingsworth snared three passes of six, three, and one yards for three touchdowns. Halfback Mike Etheredge and fullback Acie Griffin also caught touchdown strikes of 4 and 34 yards respectively.

The stout Knights defense held the Rebels to only 47 yards rushing and gathered in three fumbles on which the offensive team later capitalized.

The reserve unit of Woodlawn saw plenty of action while scoring two touchdowns and holding their opponents scoreless.

Gary Green was quickly brought down by Fair Park defenders after catching a Ferguson pass.

Acie Griffin, the Knights' punter, kept the opposing teams deep in their own territory with his fine punting.

Woodlawn 49

Byrd 7

After a 0-0 first quarter tie, the number one ranked Knights came back to deaden the stinging Byrd defense by scoring 28 points in the second quarter and went on to win the district contest 49-7.

The Knights began their rally on an 8 yard pass from quarterback Joe Ferguson to end Mark Hollingsworth. Hollingsworth scored twice later on passes of 4 and 7 yards. Running back Mike Etheredge scored twice on a 56 yard scamper and a 90 yard pass from Ferguson.

Fullback Steve Witte rambled for 91 yards in four carries to lead all rushers while teammate Etheredge followed with 71 yards on four calls.

An aggressive defense aggravated the Byrd offensive platoon by intercepting two passes and holding the Jackets scoreless until late in the fourth quarter when Byrd broke through the reserve units' pass defense.

Knights Lead District In Offense

Woodlawn 34

Ruston 7

While pacing the number one ranked Woodlawn Knights one step closer to their first state title, quarterback Joe Ferguson scored the first touchdown of his high school career as he sneaked into the end zone from the one.

Ruston marched down the field after taking the ensuing kickoff to score and it appeared that a high scoring game was underway, but the stout Knight defense held the Bearkats scoreless the rest of the way.

Ferguson fired three touchdowns for 217 yards and completed 15 of 35 attempts. Ferguson threw two six pointers to end Jim Hodge of 37 and 11 yards, while flanker Gary Green caught one from two yards out.

Fullback Steve Witte led all rushers with 82 yards on nine carries, while scoring one marker on a 34 yard romp in the second quarter.

WHS Ends Regular Season With Shutouts

Woodlawn 46

Airline 0

The high-powered Airline Vikings brought their bag of tricks to State Fair Stadium in hopes of finding some goodies during their decisive game with the unbeaten Woodlawn Knights. But all they could see was their being blasted out of the game by Joe Ferguson and his hungry company in a 46-0 defeat.

Ferguson fired for 290 yards while completing 27 of 45 and two touchdowns. He hit ends Mark Hollingsworth and Jim Hodge on scoring plays of 12 and 8 yards respectively. Also scoring for the Knights were backs Mike Etheridge, Brian Serpas, and Steve Witte.

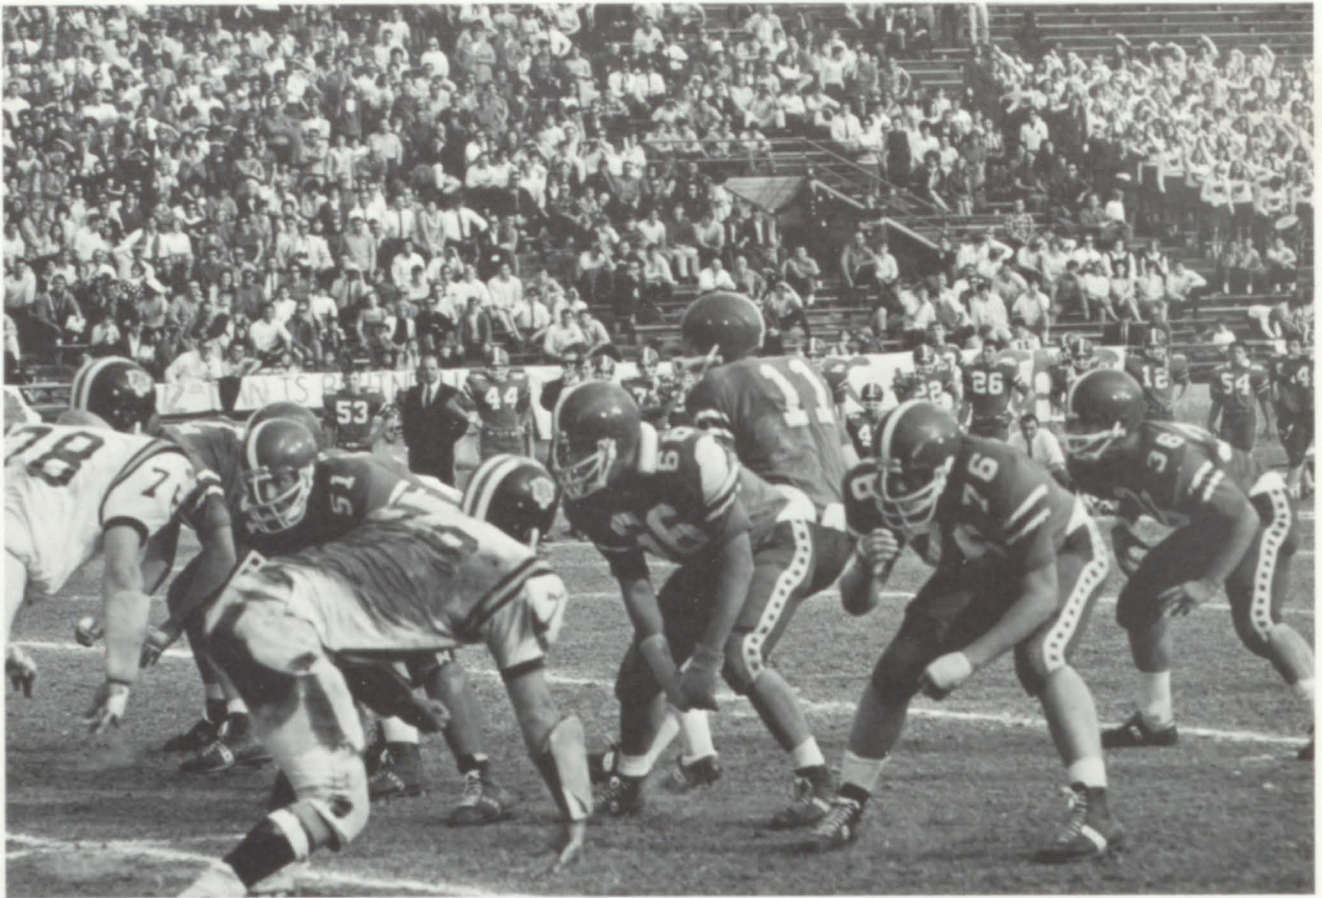

The stingy Knights defense held the Vikings only 29 yards rushing and 53 in the air, while swiping four passes and three fumbles without yielding a score.

Woodlawn 46

Captain Shreve 0

With the 1968 district football title hinging on the outcome of the last game against Captain Shreve, Woodlawn went all out to defeat the unbeaten but twice tied Gators 25-0. The high-scoring Knights ran up a total offense of 319 yards, with 260 of these coming in the airways.

Knight quarterback Joe Ferguson cut loose on three touchdown heaves in the decisive district battle. One to end Gary Green for 43 yards and two to end Jim Hodge for 58 and 5 yards. Ferguson ended the game with 16 of 28 passes completed for 260 yards. Steve Witte accounted for the other only touchdowns on a 58 yard romp from scrimmage. With this win the Knights captured their fourth straight district 1-AAA crown and produced their second undefeated—untied season in three years.

Knights Capture Two Playoff Games In

Woodlawn 30

Ouachita 2

Woodlawn 35

Holy Cross 13

Entering the AAA playoffs for their sixth straight year, the Woodlawn Knights started their entry in a terrific fashion by routing the Ouachita Lions 30-2.

A harsh Knight defense held the Lions to only 33 yards total offense while stealing two passes. Defensive ends Wayne Dale and Ronnie Frazier each accounted for a score.

Dale swiped a Ouachita pass and raced 62 yards to paydirt while Frazier dropped Ouachita running back Paul Sisson for an 18 yard loss and a two point safety.

Leading the scoring was quarterback Joe Ferguson who threw for three touchdown passes. Jim Hodge took a 41 yard bomb in for a score while running backs Acie Griffin and Mike Etheredge each caught a two-yard pass.

End Mark Hollingsworth led all receivers with 5 receptions for 77 yards.

After making many mistakes the Knights buckled down and nailed their second playoff victory of the 1968 season.

Joe Ferguson had his first pass of the game intercepted and returned to the six where the Tigers promptly scored. Later after recovering a Knight fumble Holy Cross built a 13-0 lead and it appeared the Knights might suffer their first setback of the season. But Woodlawn bounced back on a 14 yard pass from Ferguson to end Jim Hodge before leaving the field at halftime trailing 13-6.

After halftime Knights drove down the field and scored on fullback Acie Griffin's five yard plunge. Woodlawn later scored with two touchdowns to flanker Gary Green and linebacker Clinton Ebey returned a misplayed punt 45 yards.

The Knight defense held the Tigers scoreless the last half while setting up many Knight scores.

Woodlawn 14

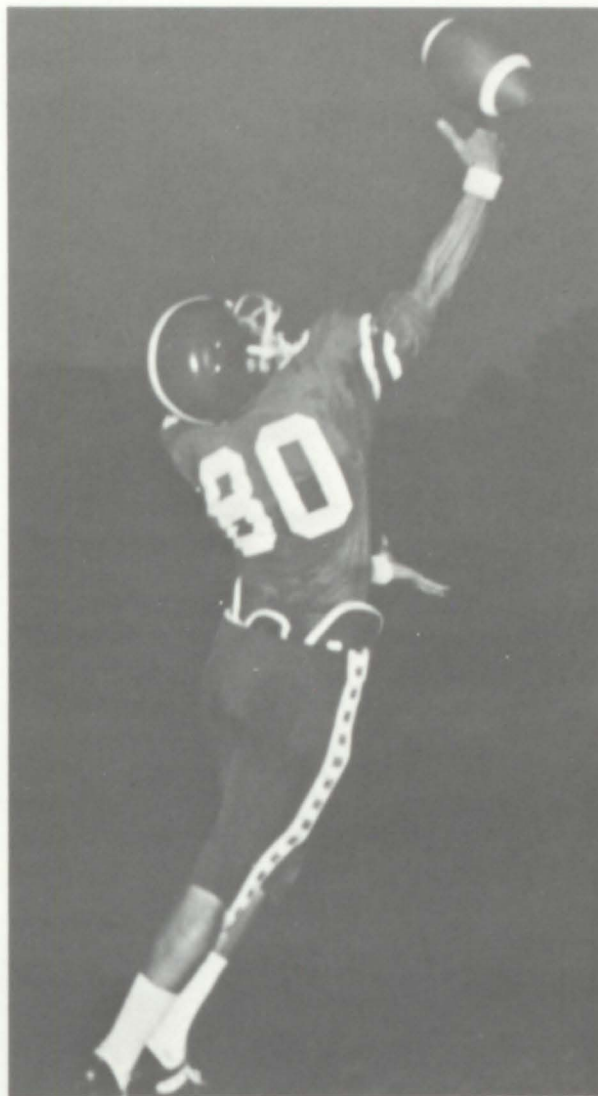

Chalmette 0

Moving on toward their first state championship, the Woodlawn Knights struggled past the Chalmette Owls in New Orleans by a margin of 14-0. The rough and tough battle was played in rainy, muddy weather and almost proved to be fatal to the Knights.

Fullback Steve Witte carried the ball in for both Knight scores. The first one came after linebacker Clinton Ebey recovered an Owl fumble on Chalmette's 16 yard line, and Witte busted through the line from the one for the touchdown. Later Witte rambled for 23 yards for the final score.

The "Big Red" defensive platoon held the Owls scoreless, and later in the fourth quarter, they stopped the Birds at the one yard line with Jeff Chapman coming up with the big play. Joe Thrash made many outstanding plays while dropping the quarterback several times.

Knights Become Undefeated Champions

Coming back to rally in the second half, the undefeated Woodlawn Knights tripped the Tors from Sulphur 25-14 in the state AAA championship game. The contest was played before an enthusiastic crowd of about 30,000 at State Fair Stadium. That was the largest crowd to ever witness a Louisiana high school football game.

The Knights with an unblemished record made many mistakes in the first half of play. All-State quarterback Joe Ferguson had four interceptions during the first half of play, and Sulphur capitalized on the third one on a two yard run by halfback Jimmy LeDoux. The Knights stormed back to cut their lead to 7-6 on an eight yard toss from Ferguson to All-State end Mark Hollingsworth. Despite many Woodlawn efforts, the Tors carried a 14-6 lead into the dressing rooms at the half.

Turning the tables after the half, the Knights took the kickoff and marched 71 yards in ten plays for a score. Ferguson topped the drive with a three yard pass to flanker Gary Green in the end zone. That narrowed the margin to 14-12 and after a great defensive play by Joe Thrash and Jeff Chapman, the Knights regained possession of the ball.

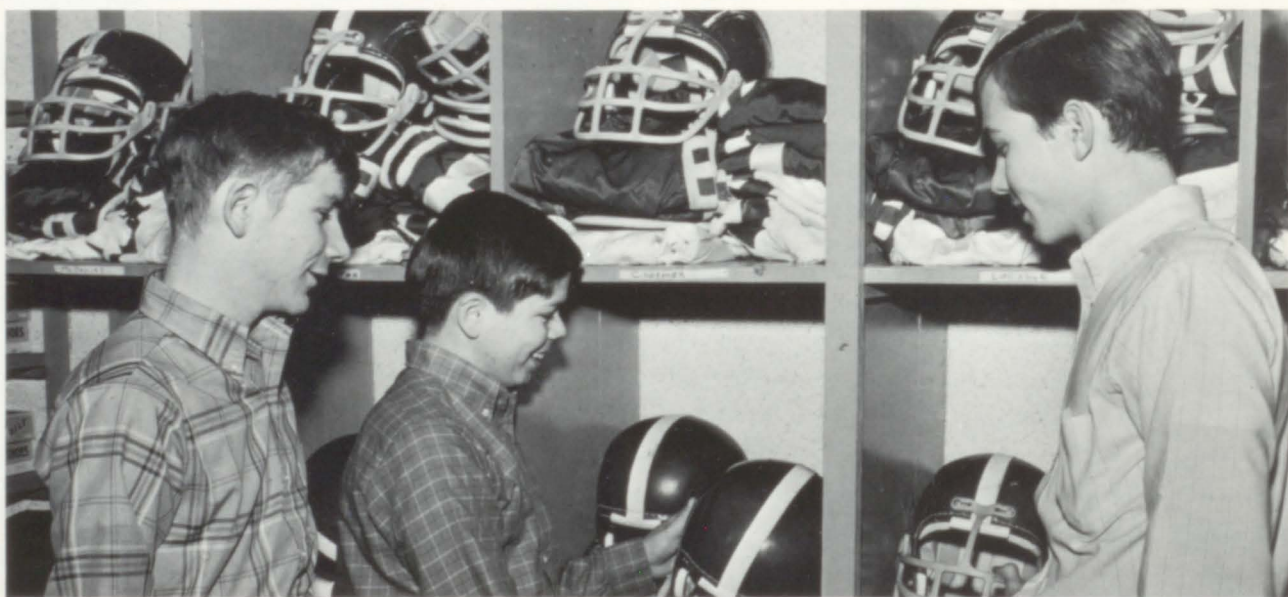

Ferguson moved the team from the 21 yard line to a score in just eight plays. Hollingsworth grabbed his second touchdown reception of the night on an eleven yard pass from Ferguson. For the first time the Knights had taken the lead and it was theirs to hold for the rest of the game.

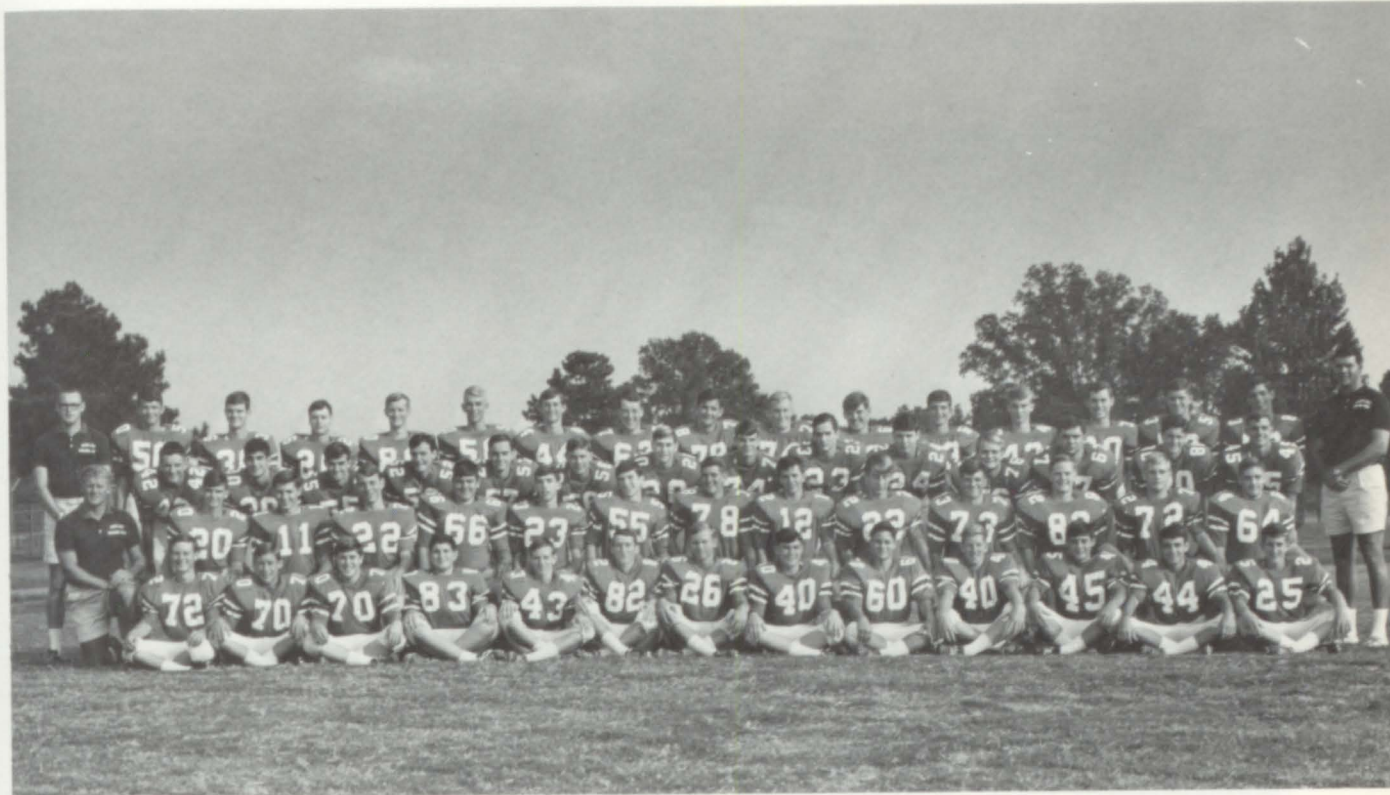

After a mean defense held the Tors scoreless, the offensive platoon marched 60 yards for a score. Ferguson sneaked in from the two to climax the scoring.

B Team Gains Experience

Keeping the winning tradition of the Woodlawn football team alive, the Knights B team posted a 5-3 season record. This was one of the best seasons for the young Woodlawn team as they showed signs for another championship. With determination to produce a winning record, the sophomores practiced many hours in preparation for their games.

Coaching the sophomore team to their impressive record was Ken Ivy assisted by Dale VanBibber and David Lovell. They taught the boys their plays and how to effectively execute those plays.

With a little more experience the non-varsity squad will be of great help in the future.

Knights Capture Louisiana AAA Crown

Entering the "Top Twenty" for the first time in the school's history, the Woodlawn Knights grabbed their first state basketball championship. Led by the play of guards Melvin Russell and Larry Davis, the Knights tripped St. Aloysius 62-59 to capture the Triple A Crown.

Coached by Ken Ivy and Dale Van Bibber, the team raced to a 33-3 record, which was the best ever composed by a Shreveport team. In his fourth year as head basketball mentor, Ivy saw numerous school records broken. Of these were the most points scored in one season with 2,897, most points scored in one game with 109, most wins for a season with 33, most field goals in one season with 318 by Larry Davis, and the most rebounds in one year with 387 by Elton Odom.

Guards Melvin Russell and Larry Davis were named to the All-District and All-State teams. Russell was named to the first team in All-State, while district scoring champ, Larry Davis, headed the second team for the 1968-69 season.

Compiling very respectable marks of 17 wins and 5 losses, Woodlawn's B Team was a fine complement to the varsity basketball team. It is coached by Ken Ivy and Dale VanBibber. Playing before the varsity at all games, the B Team showed much exciting action.

Many of the players on the B Team also play varsity, such as high scorer Gary Green, Paul Waldon, Dwayne Sandifer, Ferrell Mercer, and Mike Rose.

Starting the season off with 10 straight wins enabled the Knights to have a good season. These boys will fill the shoes of the departing seniors on the varsity team.

Woodlawn "Cinderella Team" Wins First

Coach Lowell Morrison led the Knights to their best season.

Leading the way to Woodlawn's first district track title were seniors Bobby Leach and Bill Ebarb. The Knights raced off with their best season in the team's history and went all the way to the state finals tying for second. The cinderman never finished third in any meet.

The Knights took first place in five different meets including their third consecutive Bossier Invitational win. At Neville in Monroe the cindermen also ran off with the top honors in the 1-AAA district Meet beating their nearest competitor by a sizeable gain.

Coached by Lowell Morrison, the 1968 team broke nine school records. Two All-Staters Bill Ebarb, a high jumper, and Bobby Leach, a javelin competitor, were picked from the Knights district championship team.

Baseball Team Has 5-8 Season

The 1968 Woodlawn Baseball team posted a 5-8 record. District wins came over Fair Park, Captain Shreve, and Ruston under the coaching of Jerry Adams.

Tommy Hicks chalked up a 4-1 pitching record. Brian Serpas, Lyn Burks, and David Holland had high batting averages for the flannelclads and gave the team the leadership it needed.

Coaching the golf team in its fifth year of existence was Coach W. B. Calvert. He taught his team the proper way to drive the ball, putt the ball, and many other valuable tips on playing golf.

Senior John Inzer and sophomore Mack Charping led the 1968 golf team. The team played their matches at golf courses around the Shreveport area. The team had a 0-20 season.

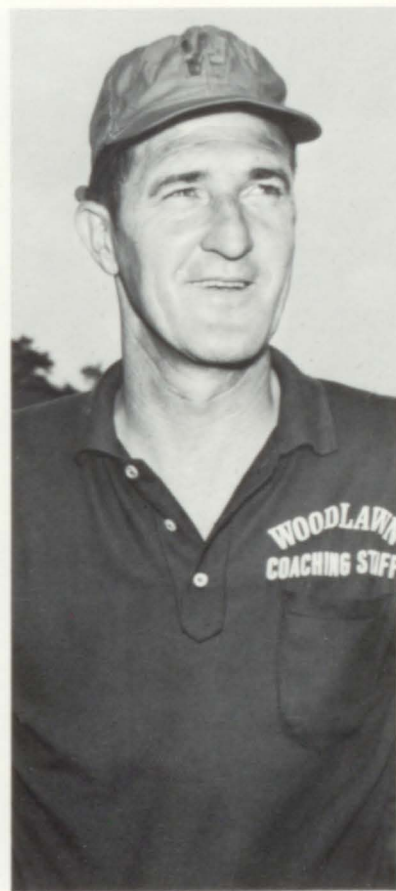

Lettermen for the 1968 golf team were John Inzer, Mack Charping, Tim Brown, and Jim Prothro. John Inzer was a medalist four times while Charping was one twice.

Tennis Team Has 6-5 Record

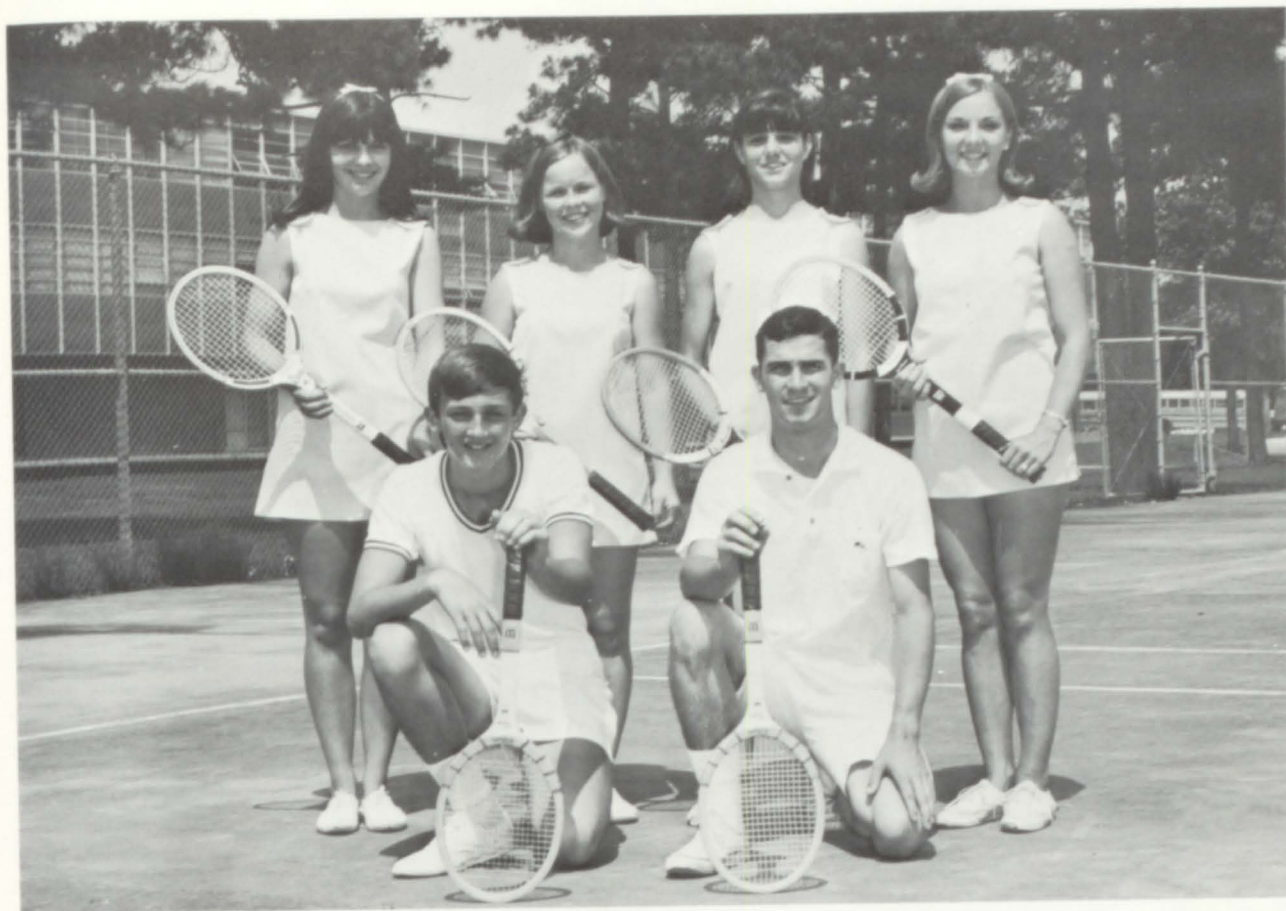

Compiling a record of 6 wins and 5 losses, Coach Ivy guided the 1968 tennis team to a winning season. With only two lettermen returning the tennis team was predicted to win only a few matches but when final statistics were tallied numerous sports writers altered their ratings.

In his third year of coaching the tennis team, Coach Ivy worked very hard with the members of the team in helping them improve their game. The Knights defeated several district opponents during the season.

Lettermen for the 1968 tennis team were Tommy Harris, Marty Nutt, Kathy Buckner, Sissy Hodge, Brenda Norton and Amy Wilkinson. Out of these, four are returning for the 1969 season.

Spirit Boosted By Enthusiastic Group

SPIRIT!! Spirit now let's hear it! Spirit was the cry for victory at Woodlawn this past year and six young ladies led the twelfth man in providing it. Each year six girls are chosen by the students to boost the morale of the athletic teams and the one receiving the most votes is the headcheerleader. Debbie Dutton received the honor of wearing that title this year.

While attending Southern Methodist University in Dallas, Texas, the girls learned to cheer well and received many hours of practice each day during their stay. With that experience, the spirit

boosters came back to school enthusiastic about making Woodlawn the number one school in spirit.

During the ball season, the cheerleaders were kept extremely busy with practicing motions and cheers, painting spirit posters, planning skits for pep assemblies and decorating the goal posts. Though there was wind and rain, they delivered slogan ribbons and decals to all the classes they could.

Listening at every game of the season, one could hear those six dedicated girls as they yelled, "SPIRIT!! Now let's hear it!"

RIGHT: The Yellow Jacket, Brenda Flory cheerleader, sprayed laughing gas on all her foes during a "Swat the Jackets" pep rally.

RIGHT: Colonel Linda Dahmer, the highest ranking officer of the Woodlawn Lancerettes, led the largest pep squad of the state in their numerous routines.

Lancerettes Do Precision Marching

Roaring above all other voices at Woodlawn's many ball games were the shouts of over three hundred girls as they cheered the Knights on. The Woodlawn Lancerettes were seen at every football and basketball game and even assisted the cheerleaders in making all the pep rallies a success.

To join the pep squad, a girl must maintain a strong C average, be approved by their teachers, and love Woodlawn enough to shout with all their might about it.

Miss Joyce Jordan and Mrs. Sandra Williford managed and advised the Lancerettes, the largest pep squad in the state. They shouldered the burdens of teaching the girls orderly conduct at the sports events and how to perform various marching for-

mations for halftime performances.

Presenting a program of special interest at halftime was one of the pep squad's greatest duties. Practice was required every day to perfect a good halftime performance. One of the more spectacular programs presented by the pep squad was the spelling of "Gators" to the Captain Shreve student body. They also spelled "W H S" at the Homecoming game with West Monroe. The use of flashcards also added to the interest of halftime. With the cards, the girls spelled out the coaches' names indicating their deep appreciation for them.

At the end of each year the Lancerettes have a spring banquet where the officers for the following year are announced.

Girls' Gym Stresses Health And Games

Girls are more and more finding that gym is one of their most delightful classes. Many very interesting and healthful activities are now enjoyed by the girls physical education classes. Basketball, softball, badminton, volleyball, tennis, tumbling, recreational games and dancing are taught by the physical education instructors. Rules and fundamentals of the games are also included in their teachings and the students are tested on them.

Six weeks of health is also required within the program, and many films and visual aids are available.

Physical education is taught to develop the whole individual—mentally, physically and socially. Team effort, co-operation and good sportsmanship are constantly urged by the gym instructors. Tournaments are sponsored by the teachers to activate their students in an effort to win and play fair.

Push-ups and various other exercises kept the boys in Coach Ken Ivy's physical education classes in good shape.

RIGHT: Awaiting the arrival of the softball in his physical education class was junior Sam Bison.

BELOW: Eric Stuler dribbled the ball in for a shot.

Students in Coach Jordan's physical education classes found the game of football to be a very interesting one.

Varied Activities Interest Boys' P.E.

Education of a student would not be complete without training that contributes to his health and physical development. Thus the physical education classes are designed to develop emotional maturity, give emphasis to good moral values and develop physical skill. Teachers stress good health habits and sportsmanship that will enrich the students' lives in the future.

Sports as football, basketball, softball, volleyball, track, and tumbling are a few of the many activities carried on in the boys' physical education classes.

Teachers plan their programs to coincide with the weather. Warm weather brought about touch football, volleyball, track and softball. The winter season placed its attention on inside recreation such as tumbling, wrestling, basketball, foursquare, and weight lifting.

A five dollar rental fee is charged for a locker to keep the boys' gym suits in. The boys' suits are laundered once a week and are provided with clean towels daily.

Intramural events were also very big factors in the gym periods this year. Boys from the same class would team together and face members of another class in many games. The boys would have tournaments and the class winning the most games were the champions. The champions were praised greatly by their fellow classmates.

For a period of six weeks the boys were required to take a course in health and safety. The courses included the principles of first aid and healthful methods to live by.

MUSIC

Eight Majorettes And New Uniforms

Raymond Morrison, is band captain, which is the only elected band official.

Eight majorettes, a first for Woodlawn, led the 102 member marching band as they played and performed at all the school pep rallies and football games. Woodlawn's largest band ever sparkled in their new uniforms consisting of navy blue trimmed in scarlet with white vinyl overlays bearing a knight helmet and the name "Woodlawn." Scarlet plumes adorned the navy and white hats. The more formal cutaway coats were worn during concert season.

Concert band provided an opportunity for those students who excelled on their particular instrument to perform the best in symphonic band literature. The seventy-two members performed for Paul Harvey and participated in the Solo Ensemble Festival and the Large Ensemble Festival. Five members were selected for All-State Band and one for All-State Orchestra.

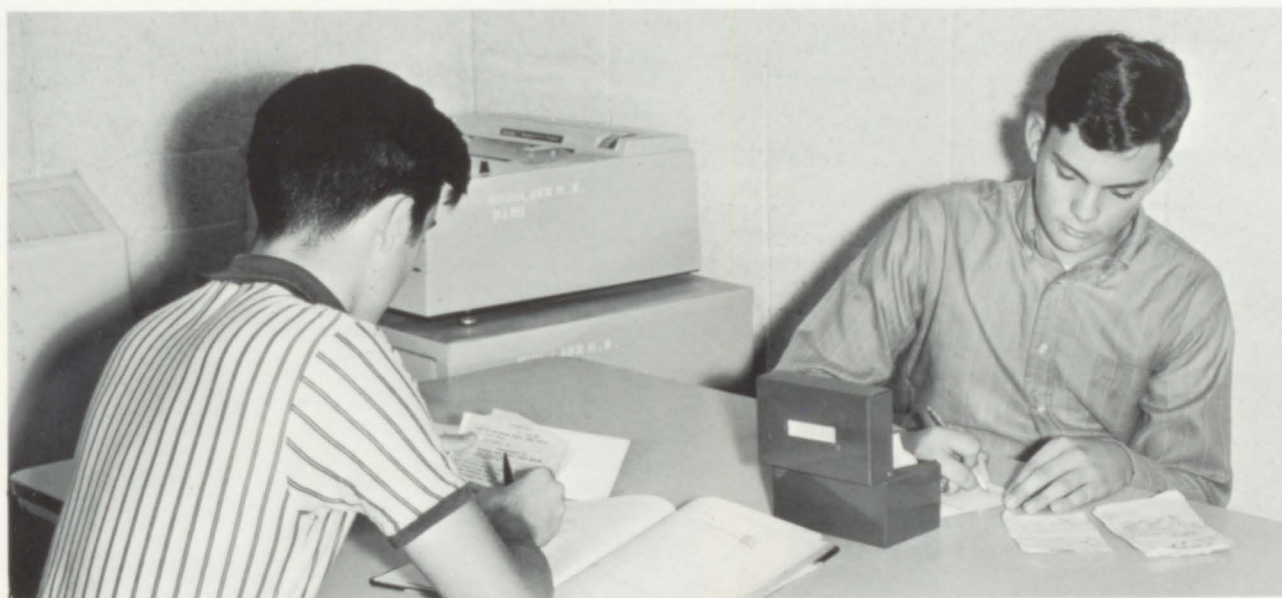

Members must audition to Mr. Richard Jennings, band director; maintain a 'C' average; and must have played in their junior high band.

ABOVE: Majorettes Kathy Albritton, Sharon Wolf, Barbara Owens, Diane Peacock, Debbye Crone, Nancy West, Debbie Grissom, and Daphne Shirah performed to "Goin' Out of My Head," "Thoroughly Modern Millie," and "Spooky."

Stage Band gives the students an opportunity to explore the wealth of material from the era of the "Big Band," or jazz band. By performing at local service clubs, P.T.A. meetings, and school assemblies, the twenty-two participants let the people of Shreveport and the Ark-La-Tex know what is going on musically at Woodlawn High School.

Wearing scarlet blazers, white turtle-necks, and dark trousers, they performed behind two-tone blue boxstands.

Members must audition to the band director, Mr. Richard Jennings, and be willing to practice two hours on Tuesday nights.

Band Participates At Homecoming Game

Practicing each day at fifth period with extra group and section rehearsals, the Knights Band prepared for football game performances, festivals, and concerts. This band provided the opportunity for those students who wished to perform and learn more about their instruments and music.

The seventy members had to audition to Mr. Richard Jennings, band director; maintain a "C" average; and must have played in their junior high band. Funds for all the bands are provided by the school, the parish, and the Band Parents Club.

Their "West Point" cut uniforms consisted of blue-gray pants, royal blue coat with white cross-belts, and gray visor hats with nine-inch ostrich feather plumes on top.

Choir Prepares For Christmas Assembly

Concert Choir wore new uniforms consisting of royal blue blazers with crests containing a knight's helmet, the book of knowledge, and a treble clef; white shirts and skirts or pants; black Continental ties; and black shoes. The fifty-six members presented a combined Christmas assembly with the band, performed for South Shreveport Rotary Club, and participated in the Louisiana Music Educators Association Choral Festival in March. Several ensembles and soloists took part in the L.M.E.A. Festival in February. Two Members were chosen for

All-State Choir.

Members of the choir must have a good innate musical ability, previous training and experience, and a desire to work hard. They practice daily fifth period in the choral room under the direction of Mr. Melvin Simmons.

Concert Choir gives the students an opportunity to participate in a choral group, to further their knowledge of the varied types of choral music available, and to strengthen their appreciation of performance skills and music in general.

Officers Set Examples For Cadets

To train young men in the principles of leadership and discipline, and to encourage patriotism and loyalty is the purpose of the junior Army R.O.T.C. program.

Led by retired Lt. Col. William Taylor and Master Sergeant Floyd Courtade, the corps consists

of Headquarters, A, B, and Band Companies. Extra activities are Drill Team, Rifle Team, and Color Guard.

Main events of the year were the R.O.T.C. Carnival and Spaghetti Supper and the Military Ball.

Rifle Team Places Second In Nation

An ability and interest in marksmanship, a C average, and a willingness to stay after school for practice are requirements for the Redcoats Rifle Team. Sponsored by Sgt. Floyd Courtade, the team placed second in national competition held in the summer.

The Rifle Team fired in out-of-town matches as well as against other area high schools and Barksdale Air Force Base. They placed first at the University of Texas Match in Arlington, and at the L.S.U. Invitational in Baton Rouge. In Arlington, they beat eighteen other high schools and fourteen colleges from a five-state area.

The Lockwood brothers, Mike and Jimmy, took top honors at Arlington with individual scores of 517. Preference was given to Jimmy for his score of 154 in the standing position.

The Lancers participated in several parades this year, such as the Veterans' Day Parade, the Christmas Festival at Natchitoches, and the Holiday in Dixie Parade.

Lancers Pay Tribute To Ebarb And Queen

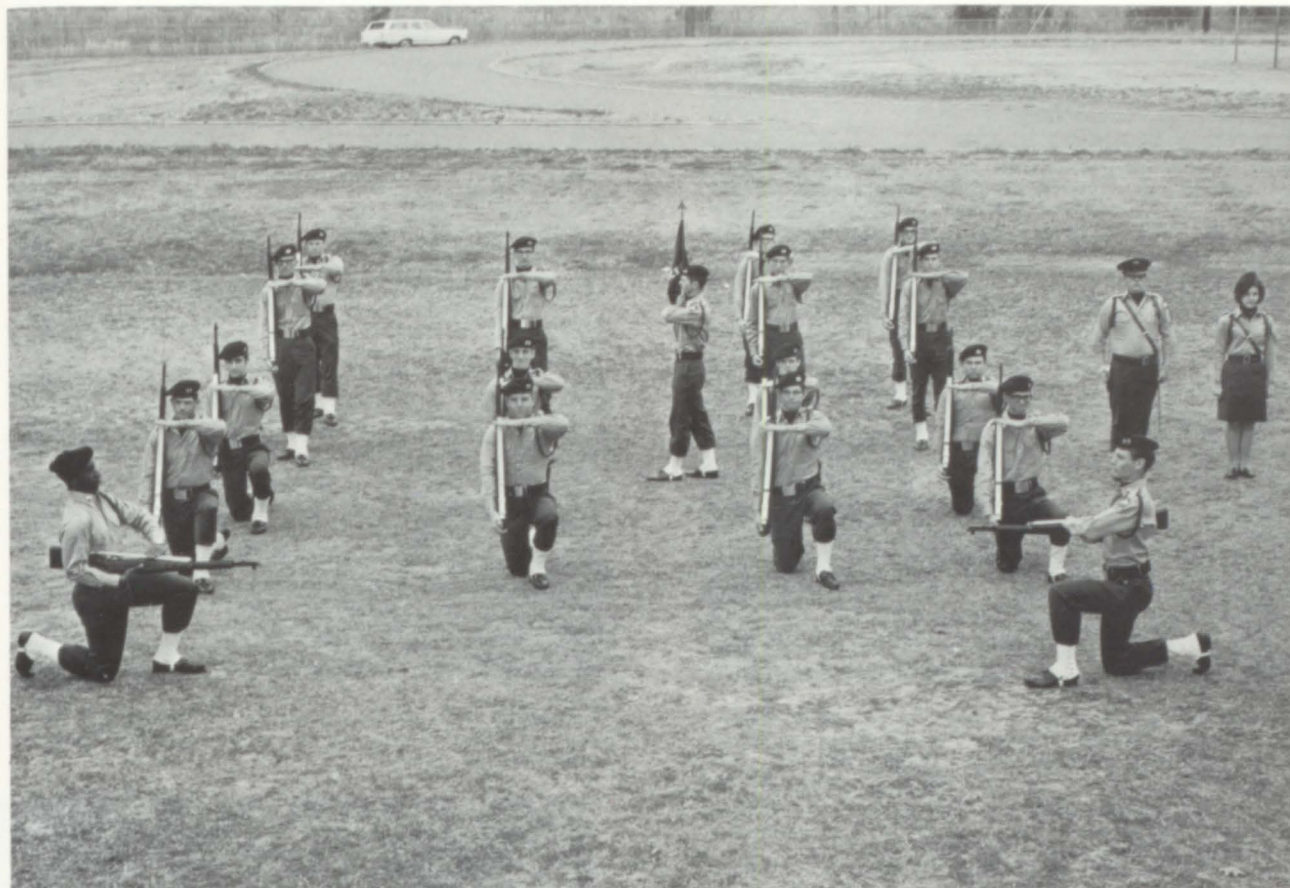

"Practice makes perfect" may well be the motto of the Lancers Drill Team. Many hours of after-school practice are necessary for members, a good grade average and a sincere desire to excel in drill.

The Drill Team's uniform is composed of a khaki shirt combined with green wool pants, black scarves, white spats, and a black beret.

The Lancers, sponsored by Colonel William Tay-

lor, took part in the Homecoming Festivities, where they fired a salute for Queen Linda Dahmer and executed a movement called "The Duane Ebarb Tribute."

Other activities this year included the Veterans' Day Parade, the Christmas Festival at Natchitoches, the Holiday in Dixie, and the Holiday in Dixie Drill Competition.

Fifteen Sponsors Provide Moral Support

"The primary duty of a sponsor is to improve the appearance, morale, and discipline of the cadet corps of Woodlawn," Mrs. Carole Bass read the duties of sponsors to the fifteen girls selected last April to serve as sponsors.

Various duties included ushering at the football games and helping their officers carry out their duties. Activities of the year were the Military Ball, the sponsor party at Fair Park, and variety show at the Carnival.

Mrs. Carole Bass, advisor, instructs the sponsors in matters of uniforms, duties, and any extra projects they may have during the year.

As sponsor of the brigade commander, Col. Mary Malone has the highest rank a sponsor can attain. Some of her duties include inspecting the other sponsors when the advisor is absent and meeting officials.

Color Guard

Performs Daily Duties

Red helmets and scarves were the trademarks of the Color Guard, as they presented the flag at school functions, parades, and at football games.

The guard was appointed by Col. Taylor, on the basis of academic standing, ability, and neatness of appearance.

In addition to school activities, the Color Guard marched in the Christmas Festival at Natchitoches, posted the colors at other schools, and greeted officials.

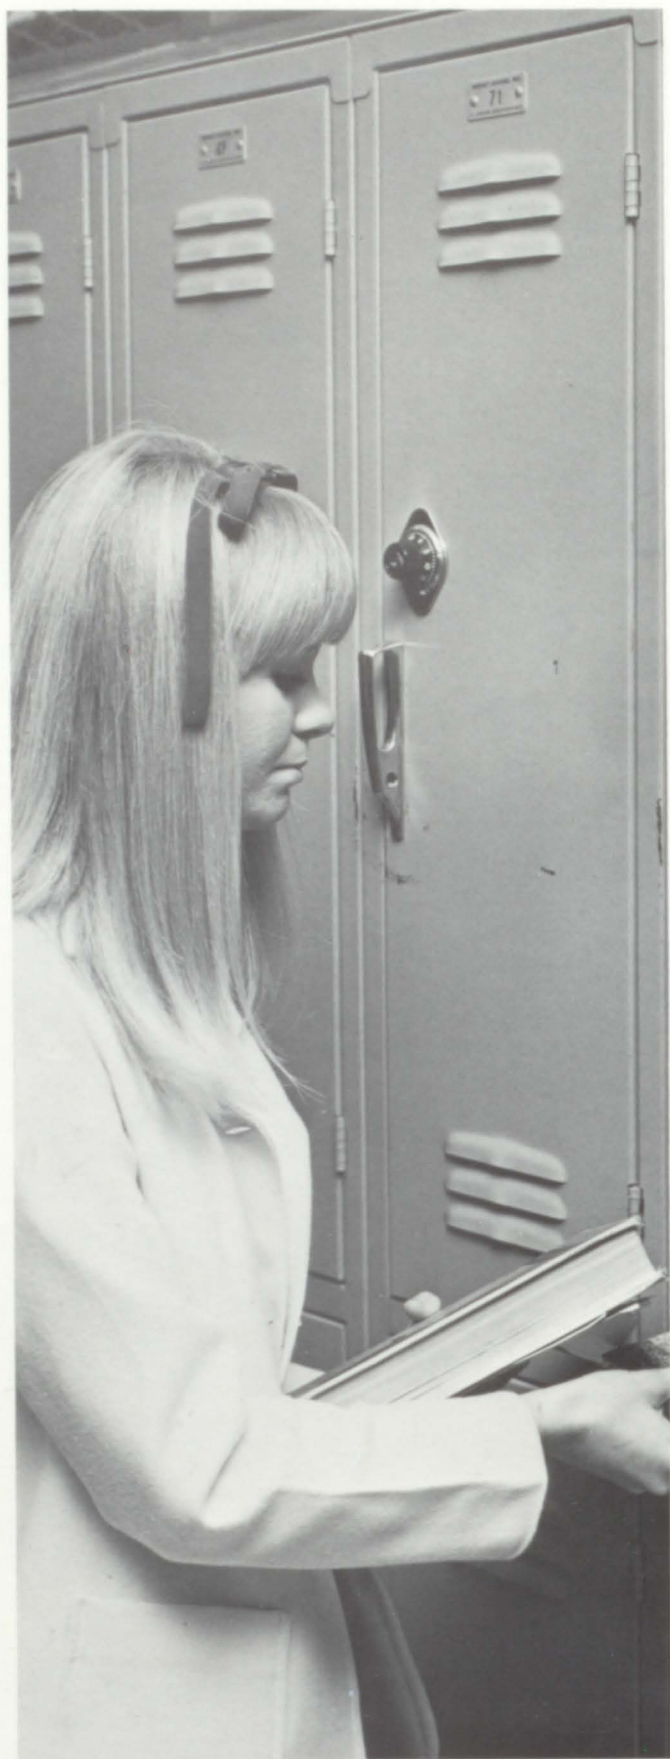

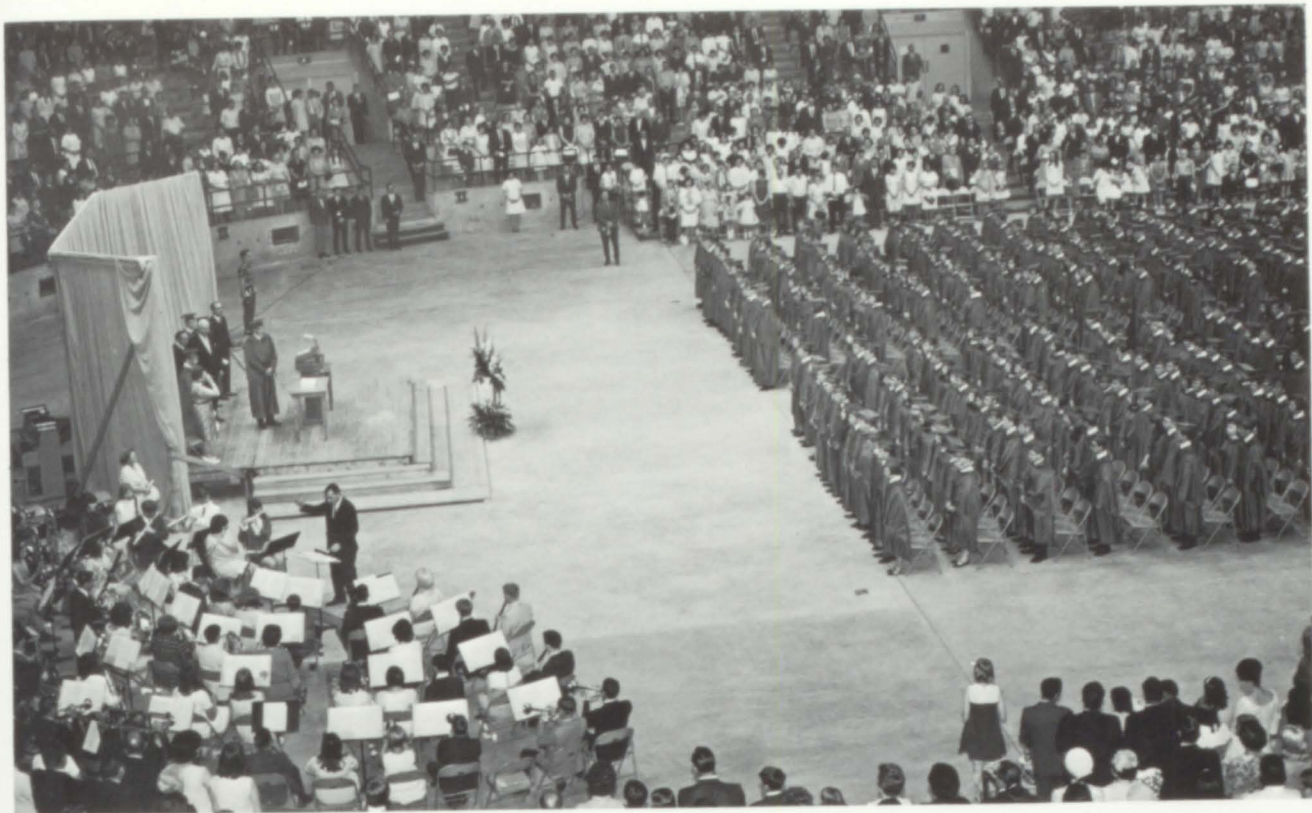

Posting the colors at places off-campus is considered a privilege by the members of the Color Guard.

Editor Melethel Campbell Extends Thanks

As the school year has drawn almost to a close, there are only a couple of major tasks left for a "Knight in shining armor" to accomplish. One of these was the receiving of his *ACCOLADE* that he might once again relive and visualize the many, many wonderful happenings of the past school year. And as the happiness of this school year passes into the annals of time, we hope that each picture and thought might bring a little smile upon his face as he remembers sweet '69.

At this time, we would like to express our sincere thanks to Mr. W. R. Tatum for the giving of his time to develop many pictures, to Mr. and Mrs. Tom Drummond and Jack Ravenna for such fine photography, and to the faculty and students for being so co-operative and helpful.
